7. **Multiple Insureds**

The inclusion of more than one person or entity as an Insured under this Policy shall not operate to increase the limits or sub-limits of liability under each Section of this Policy, nor the **retention** amounts for which **you** are responsible to bear. Except with respect to this Policy's limits, sub-limits and **retention** amounts, the terms of this Policy shall apply separately to each person or entity covered as an Insured in the same manner and to the extent as though a separate Policy had been issued to each such person or entity.

8. **Cancellation**

This Policy may be cancelled by **you** or by **us** by sending by registered or certified mail notice to the other party stating when, not less than thirty (30) days thereafter, such cancellation shall be effective. However, in the event of non-payment of premium by **you**, **we** may cancel the Policy by sending by registered or certified mail notice to **you** stating when, not less than ten (10) days thereafter, cancellation shall be effective.

The mailing of **our** notice to **you** at the address shown in the **declarations** shall be sufficient proof of notice and the insurance under this Policy shall end on the effective date and hour of cancellation in the notice. Delivery of such written notice either by **you** or by **us** shall be equivalent to mailing. In the event that this Policy is cancelled, as aforesaid, the expiration date of this Policy shall be the effective date of such cancellation.

If this Policy shall be cancelled by **you** or on **your** behalf, **we** shall retain whichever is the greater of, either, twenty-five percent (25%) the total premium or the short rate proportion of the premium for the period this insurance has been in force. If this Policy shall be cancelled by **us**, **we** shall retain the pro rata proportion of the premium for the period that this Policy has been in force. **Our** notice of cancellation shall be effective even if **we** make no payment or tender of return premium with such notice.

9. **Interpretation of terms**

Any terms of this Policy which may conflict with applicable statutes (or statutes deemed applicable by a court of competent jurisdiction) are amended to conform to the minimum requirements of such statutes.

10. **Arbitration**

- (a) If any dispute, controversy or claim arises out of or in connection with this Policy, including any question regarding its existence, validity or termination, (a "dispute") between **you** and **us** (the "parties"), the parties shall use all reasonable endeavours to resolve the matter amicably.

If one party gives the other party notice that a dispute has arisen and the parties do not resolve the dispute within thirty (30) days of service of the notice then the dispute shall be referred to the representatives of the parties who shall, acting jointly and in good faith, attempt to resolve the dispute. No party shall resort to arbitration against the other party under this Policy until thirty (30) days after such referral.

- (b) All disputes, which are unresolved pursuant to (a) above and which a party wishes to have resolved shall be referred upon the application of any party to, and finally settled under, the London Court of International Arbitration Rules (the "rules") in force at the time the proceedings are commenced, which rules are deemed to be incorporated by reference to this Arbitration clause.

The number of arbitrators shall be three (3), appointed in accordance with the rules. The seat of the arbitration shall be as stated in the **declarations**. The language of this arbitration shall be English and the award shall be final and binding upon the parties. The arbitrators shall interpret this Policy on the basis of the law identified in the **declarations**.

- (c) The costs and expenses of the arbitration shall be borne by the parties as ordered by the arbitration tribunal. Such legal costs and expenses will not be part of the limit of liability.

- (d) The parties agree to keep confidential, between themselves and their legal and other professional advisers, the existence and details of any proceedings pursuant to this Arbitration clause, including their submissions and evidence and all and any awards (including their content, reasons and result) except to the extent that such documents or information are in the public domain or required by a legal duty to be disclosed or disclosure is reasonably necessary to protect or pursue a legal right or remedy or if required by any agency or authority in charge of regulating securities.

11. **Fraud**

Any fraud, concealment, or intentional misstatement of the information provided, or in the making of a claim, shall entitle **us** to refuse payment of a claim or treat this Policy as though it had never existed.

12. **Subrogation**

We shall have the right and be entitled to bring proceedings in **your** name to recover for **our** benefit the amount of any payment made under this Policy, including **our** own costs and expenses. **We** shall be entitled to exercise all of **your** rights and remedies. **You** shall cooperate and do everything that may be necessary and requested by **us** in order for **us** to secure such rights and remedies.

13. **Salvage and Recoveries**

All salvage, recoveries and payments due to **you** will be applied as if recovered or received prior to settlement of the loss, and all necessary adjustments will then be made between **us** and **you**.

14. **Law and Jurisdiction**

In the event of any dispute involving this insurance, this Policy is governed by the applicable law as shown in the **declarations**.

This Policy is subject to the provisions of the Arbitration clause and jurisdiction of the Policy is determined by the Service of Suit clause.

No legal action shall be brought upon this Policy unless **you** have complied with all the provisions of this Policy and have commenced such action within twelve (12) months after the **deadly weapon event** has occurred.

15. **Onus of Proof**

In any claim, and in any action, suit or other proceeding to enforce a claim for loss, damage, cost or expense under this Policy the burden of proving that such loss is not excluded from this Policy or that **you** are not in breach of any of its conditions will be upon **you**.

16. **Service of Suit**

This Service of Suit clause will not be read to conflict with or override both **our** and **your** obligations to arbitrate disputes as provided for in the Arbitration clause. This clause is intended as an aid to compelling arbitration or enforcing such arbitration or arbitral award, not as an alternative to such Arbitration clause for resolving disputes arising out of this Policy of insurance.

It is agreed that in the event of **our** failure to pay any amount claimed to be due under this Policy, **we** will at **your** request submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this clause constitutes or should be understood to constitute a waiver of **our** rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District court or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such suit may be made upon **our** representative named in the **declarations** and that in any suit instituted against **us** upon this Policy, **we** will abide by the final decision of such court or of any appellate court in the event of an appeal.

Our representative named in the **declarations** is authorized and directed to accept service of process on **our** behalf in any such suit and/or upon **your** request to give a written undertaking to **you** that he will enter a general appearance upon **our** behalf in the event such a suit shall be instituted.

Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefore, **we** hereby designate the superintendent, commissioner or director of insurance or other officer specified for that purpose in the statute, or his successor or successors in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on **your** behalf or any beneficiary hereunder arising out of this Policy of insurance, and hereby designate **our** representative named in the **declarations** as the person to whom the said officer is authorized to mail such process or a true copy thereof.

17. **Joint Venture(s)**

With regard to any of **your** liability which is insured under this Policy and arises in any manner out of the operations or existence of any **joint venture** the relevant limit of insurance under this Policy shall be limited to **your** percentage interest in the **joint venture**. Where **your** percentage interest in a **joint venture** is not evidenced in writing, the percentage to be applied shall be that which would be imposed by law at the inception of the **joint venture**. Such percentage shall not be increased by the insolvency of any members of such **joint venture** or any other parties. This clause will not apply to any of **your** liability where, as a result of a claim, the terms of the **joint venture** agreement place the whole liability of the **joint venture** upon **you**.

18. **Other Insurance Clause**

This Policy will act as primary insurance to any other insurance carried by or available to **you**, (except where prohibited by law, i.e., where workers compensation is the exclusive remedy) and will respond in the event that **you** are otherwise insured incidentally for any loss, damage, liability, cost or expense which is indemnifiable under this Policy (namely under a more general or combined insurance providing coverage, in addition, for other risks not indemnified under this Policy).

19. **Loss Fund Establishment**

In the event of a **deadly weapon event**, and at a time as soon as reasonably practicable after the occurrence of such **deadly weapon event**, **we** will establish a loss fund, for an amount that **we** deem sufficient, for the purpose of facilitating prompt payment of **claim** amounts, **claims expenses** and any other amounts recoverable under the coverage, terms and conditions of this Deadly Weapons Protection Policy, including any of those endorsed to this Policy. **We** reserve the right, at **our** sole discretion, to make further deposit of monies into the loss fund at a time of **our** choosing.

The loss fund will be held in a non- interest-bearing bank account within the United States of America chosen at **our** sole discretion, in **our** name. Only **we**, or **our** authorised representatives (with **our** prior consent), shall be entitled to draw down on such account for the purpose of making any appropriate payment due under this Policy.

We reserve the right to terminate the loss fund with immediate effect at any time in the event that the loss fund, or any matter associated with its establishment or maintenance, is found to contravene any law or statute of any jurisdiction in the United States of America.

20. **Sanction Limitation and Exclusion Clause**

We shall not be deemed to provide cover nor shall **we** be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us** or any member of **our** group to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

21. **Several Liability Notice**

The subscribing insurers' obligations under contracts of insurance to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing insurers are not responsible for the subscription of any co-subscribing insurer who for any reason does not satisfy all or part of its obligations.

1. Notice, Reporting and Proof of Loss

You shall, as soon as reasonably practicable, but in no case more than forty-eight (48) hours after **you** become aware of a **deadly weapon event**, call Beazley's 24-hour/7-day Telephone Number: **860-677-3790** to notify the **event responder** as shown in the **declarations**.

Immediate notification to the **event responder** will be deemed notification of the **deadly weapon event or circumstance** to **us** under this Policy.

Following initial notification to the **event responder**, **you** shall also, as soon as reasonably practicable, notify **us** of every **claim**, demand, notice, summons or other process received by **you** or **your** representative(s) and any act, error or omission by **you** which could reasonably be expected to give rise to a **claim**, including any threat of a **deadly weapon event** that could possibly lead to a **claim**.

You must keep **us** fully informed of any **claim** and forward copies of all relevant correspondence and legal processes.

Any **claim**, or any circumstance which could reasonably be expected to give rise to a **claim**, shall be considered to be reported to **us** when notice is first given to **us** at DWPclaims@Beazley.com or the **event responder** as above.

At **our** request, **you** must provide a signed proof of loss to **us** or **our** representatives to substantiate the occurrence, nature, cause and amount of loss claimed under this Policy.

2. Assistance and Cooperation

You shall cooperate with **us** in all investigations, including investigations regarding the application for and coverage under this insurance and, upon **our** request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organisation who may be liable to **you** because of acts, errors or omissions in respect of loss insured under this insurance.

You shall attend hearings, trials and assist in securing and giving evidence and obtaining the attendance of witnesses where required by **us**.

You must not admit liability, make an offer or promise of any payment, assume any obligation, incur any expense, enter into any settlement, acquiesce or agree to any judgement or award or otherwise dispose of any claim without **our** written agreement.

If **we** so require, **you** must agree to an examination under oath by **our** appointed representative.

Policyholder Disclosure Notice of Terrorism Insurance Coverage

Coverage for acts of terrorism is already included in the policy (including any quotation for insurance) to which this notice applies. You should know that, under the policy, any losses caused by certified acts of terrorism would be partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays 80% of covered terrorism losses exceeding the statutorily established deductible paid by the insurer providing the coverage. However, your policy may contain other exclusions which might affect your coverage, such as exclusion for nuclear events. The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. The Terrorism Risk Insurance Act, as amended, contains a USD100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds USD100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed USD100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for certified acts of terrorism as defined in the Terrorism Risk Insurance Act of 2002, as amended, is: USD .

I ACKNOWLEDGE THAT I HAVE BEEN NOTIFIED THAT UNDER THE TERRORISM RISK INSURANCE ACT OF 2002, AS AMENDED, ANY LOSSES CAUSED BY CERTIFIED ACTS OF TERRORISM UNDER MY POLICY COVERAGE WILL BE PARTIALLY REIMBURSED BY THE UNITED STATES, SUBJECT TO A USD100 BILLION CAP, AND I HAVE BEEN NOTIFIED OF THE AMOUNT OF MY PREMIUM ATTRIBUTABLE TO SUCH COVERAGE.

BUSINESS INTERRUPTION EXTENSION ENDORSEMENT

INSURING CLAUSE

In consideration of the premium paid, the Deadly Weapon Protection Policy to which this Endorsement is attached is amended to additionally insure the **Named Insured** for loss resulting from necessary Interruption of Business caused by a **Deadly Weapon Event**, as defined by the Deadly Weapon Protection Policy, occurring at the **Location(s)** of the **Named Insured**.

This Business Interruption Extension Endorsement is subject to the terms and conditions (other than exclusions), and definitions stipulated in the Deadly Weapon Protection Policy to which it is attached and, in addition, to the terms, conditions, exclusions and definitions stipulated in this Endorsement. In the event that a term, condition, or definition stipulated in this Endorsement conflicts with any term, condition, or definition contained in the Deadly Weapon Protection Policy, then such term, condition, or definition in this Business Interruption Extension Endorsement shall prevail.

This Endorsement insures a **Deadly Weapon Event** that occurs during the **Period of Insurance**. This Endorsement does not insure any **Deadly Weapon Event** that first takes place prior to the inception date of this insurance, nor any **Deadly Weapon Event** that first takes place after the expiration date (or if cancelled, the cancellation date) of this insurance. The Important Notice: "This is a **Claims Made and Reported Policy**" stipulated in the Deadly Weapon Protection Policy to which this Extension is attached does not apply to this Business Interruption Extension Endorsement. Similarly, any other terms in the Deadly Weapon Protection Policy that make reference to **Claims-Made and Reported** basis and **Retroactive Date** do not apply to this Endorsement.

If a word is in boldface, please read the definitions clause of this Business Interruption Extension Endorsement and the definitions section of the Deadly Weapon Protection Policy to which this Endorsement is attached.

COVERAGE

In the event of a **Deadly Weapon Event** that occurs during the **Period of Insurance**, the **Underwriters** shall be liable for the actual loss sustained by the **Named Insured** resulting directly from such necessary Interruption of Business, but not exceeding the reduction in **Gross Earnings** during the **Period of Indemnity**.

Due consideration shall be given to the continuation of **Normal** charges and expenses, including payroll expenses, to the extent necessary to resume operations of the **Named Insured** at the same or equivalent operational capability that existed immediately prior to an **Deadly Weapon Event**.

LIMIT OF LIABILITY

The **Underwriters** shall not be liable under this Endorsement for more than USD250,000 in respect of each and every **Deadly Weapon Event**.

RETENTION

Each insured Interruption of Business loss caused by a **Deadly Weapon Event** shall be adjusted separately, and from the amount of each such adjusted loss the applicable amount stipulated below shall be deducted:

- If the amount stated in the **Declarations** as the **Retention** applicable to insured Interruption of Business loss is shown as a monetary amount, then the monetary amount as stated in the **Declarations** is the amount policy which **you** must bear uninsured and retain for **your** own account .
- If the amount stated in the **Declarations** as the **Retention** applicable to insured Interruption of Business loss is shown as a days' amount, then the amount which **you** must bear uninsured and retain for **your** own account shall be equivalent to the first number of days, as stated in the **Declarations**, of the **Period of Indemnity** applicable to such Interruption of Business loss.

CONDITIONS

1. **Deadly Weapon Event**

No claim shall be payable under this Endorsement unless a **Deadly Weapon Event**, insured under the Deadly Weapon Protection Policy to which this Endorsement is attached, and which gave rise to Interruption of Business, has occurred.

2. **Business Interruption Values Declared (and Incorrect Declaration Penalty)**

The premium for this Endorsement has been based on a statement of individual Business Interruption values declared to and agreed by the **Underwriters** at the inception of the Policy and stated in the **Declarations**.

If any of the individual values declared are less than the equivalent amount of the Co-insurance percentage, as stated in the **Declarations**, of the Business Interruption values, then any recovery otherwise due hereunder shall be reduced in the same proportion that the individual value(s) declared bear to the value(s) that should have been declared and the Insured shall co-insure for the balance.

3. **Other Insurance**

4.

This Policy will act as primary insurance to any other insurance carried by or available to the **Named Insured**.

5. Resumption of Operations
