AMENDATORY ENDORSEMENT-CALIFORNIA

1. In all coverage forms, Actual Cash Value, if applicable, is amended to include the following:
 - a. The actual cash value of covered property will be determined as:
 - 1) the amount it would cost to repair, rebuild, or replace the lost, damaged, or destroyed property less a fair and reasonable deduction for physical depreciation; or
 - 2) the limit applicable to that property at the time of the loss.whichever is less.
 - b. The condition of the property at the time of the loss is the basis for determining the amount of physical depreciation. The expense of labor necessary to repair, rebuild, or replace covered property is not a component of physical depreciation.
 - c. a. and b. above do not apply to property subject to Agreed Amount valuation terms or an item of property specifically scheduled with a value applicable to such item.
2. Under Loss Conditions, F. Other Insurance is deleted and replaced by the following:

F. Other Insurance

You may have another policy covering identical risks, whether or not both policies are subject to the same terms, such insurers are liable to make loss payment as described below. In the event you have double insurance, and incur:

- a. a total or constructive total loss, we will pay our share of the covered loss if that policy has the same effective date as this policy. Our share is the proportion that the applicable limit under this policy bears to the limit of all policies covering on the same basis.

However, if there is a total or constructive loss and that policy has an effective date other than the effective date on this policy, we will pay according to the effective dates on the policies. This policy will be primary to any policy with an effective date after the effective date of this policy. This policy will be excess over any policy with an effective date before the effective date of this policy.

- b. a partial loss, we will pay our share of the covered loss. Our share is the proportion that the applicable limit under this policy bears to the limit of all policies covering on the same basis

Commercial Inland Marine Conditions

Policy Amendment(s) Commercial Inland Marine

The following conditions apply in addition to the Common Policy Conditions and applicable Additional Conditions in Commercial Inland Marine Coverage Forms:

Loss Conditions

A. Abandonment

There can be no abandonment of any property to us.

B. Appraisal

If you and we fail to agree on the amount of loss, either one can ask that the amount of loss be established by appraisal. To start the appraisal process either you or we must make the request in writing to the other. Each must then choose a competent, independent appraiser and give the name and address of that appraiser to the other. This must be done within 30 days after the written request for appraisal is received.

The two appraisers must then choose a competent and impartial umpire. If they do not agree on an umpire within 15 days, either you or we may have an umpire selected by a court located in the same state as the covered property. The appraisers will then set the amount of the loss. A copy of their report will be given to you and to us. The amount they agree upon will be the amount of loss.

If the appraisers fail to agree within a reasonable period of time, they will give the umpire a statement of their differences. A written agreement signed by any two of the three will set the amount of the loss. You will pay your appraiser and we will pay ours. The umpire's fee and other appraisal expenses will be shared equally by you and us.

If we submit to an appraisal, we will still retain our right to deny the claim.

C. Duties in the Event of Loss

You must see that the following are done in the event of loss or damage to Covered Property:

1. Notify the police if a law may have been broken.
2. Give us prompt notice of the loss or damage. Include a description of the property involved. You must also file with us or our agent, a detailed sworn proof of loss within ninety (90) days following the loss or damage. We will supply you with the necessary forms.
3. As soon as possible, give us a description of how, when and where the loss or damage occurred.
4. Take all reasonable steps to protect the Covered Property from further damage and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also if feasible, set the damaged property aside and in the best possible order for examination. If you move the covered property to a safe place, that property will continue to be covered and we will reimburse you for the reasonable expenses for doing so. You must tell us as soon as practical that you have moved the covered property to a safe place.
5. You will not, except at your own cost, voluntarily make a payment, assume any obligation, or incur any expense without our consent.
6. As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

7. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.
8. Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit.
9. Cooperate with us in the investigation or settlement of the claim.

D. Insurance Under Two or More Coverages

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

E. Loss Payment

1. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
2. We will not pay you more than your financial interest in the Covered Property.
3. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claim against us for the owners' property.

We will not pay the owners more than their financial interest in the Covered Property.

4. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense. The expenses we incur will not reduce the applicable limit for coverage described under Property Covered.
5. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss if you have complied with all the terms of this Coverage Part and:
 - a. We have reached agreement with you on the amount of the loss; or
 - b. An appraisal award has been made.
6. We will not be liable for any part of a loss that has been paid or made good by others.
7. If we recover any part of a loss from another party, after we deduct the expenses of making the recovery we will share the recovery with you. Your share will be the proportion that your share of the loss bears to the total amount of the loss.

F. Other Insurance

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

G. Pair, Sets or Parts

1. Pair or Set

In case of loss or damage to any part of a pair or set we may:

- a. Repair or replace any part to restore the pair or set to its value before the loss or damage; or
- b. Pay the difference between the value of the pair or set before and after the loss or damage.

2. Parts

In case of loss or damage to any part of Covered Property consisting of several parts when complete, we will only pay for the value of the lost or damaged part.

H. Labeled Goods

If covered property bearing labels, packaging or wrappers is lost or damaged, we will pay you an amount sufficient to replace those labels, packaging or wrappers.

I. Loss Payee

If a loss payee is named in the Declarations, we will pay you and the loss payee, as the interest of each may appear.

J. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

K. Reinstatement of Limit After Loss

The Limit of Insurance will not be reduced by the payment of any claim, except for total loss or damage of a scheduled item, in which event we will refund the unearned premium on that item.

L. Transfer of Rights of Recovery Against Others to Us

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. If that person or organization does anything to impair our rights after a loss, we will not have to pay the loss. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property.
2. After a loss to your Covered Property only if; at time of loss, that party is one of the following:
 - a. Someone insured by this insurance; or
 - b. A business firm:
 - (1) Owned or controlled by you; or
 - (2) That owns or controls you.

This will not restrict your insurance.

4. A claim under this Coverage Part.

B. Control of Property

1. No one may bring us a legal action against us under this Coverage Part unless:

2. You agree not to sue us or involve us in another action proceeding after 2 years have past since you discovered the loss or damage giving rise to such action. We will pay for covered loss or damage to each Loss Payee in their order of precedence, as interests may appear.

The Loss Payee has the right to receive loss payment even if the Loss Payee has started foreclosure or similar action on the Covered Property.

If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the Loss Payee will still have the right to receive loss payment if the Loss Payee:

Pays any premium due under this Coverage Part at our request if you have failed to do so;

Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

Has notified us of any change in ownership, occupancy or substantial change in risk known to the Loss Payee. All of the terms of the Coverage Part will then apply directly to the Loss Payee.

If we pay the Loss Payee for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

The Loss Payee's rights will be transferred to us to the extent of the amount we pay; and

The Loss Payee's right to recover the full amount of the Loss Payee's claim will not be impaired.

At our option, we may pay to the Loss Payee the whole principal on the debt plus any accrued interest. In this event, you will pay your remaining debt to us.

3. If we cancel this policy, we will give written notice to the Loss Payee at least:

10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or

30 days before the effective date of cancellation if we cancel for any other reason.

Contract of Sale

The Loss Payee shown in the Schedule or in the Declarations is a person or organization you have entered a contract with for the sale of Covered Property.

For Covered Property in which both you and the Loss Payee have an insurable interest, we will:

Adjust losses with you; and

Pay any claim for loss or damage first to the Loss Payee and then to you, as the interests may appear.

This Form must be attached to Change Endorsement when issued after the policy is written.
