ACCIDENT MEDICAL EXPENSE BENEFITS

This Section describes the Scope of Coverage for which Medical Benefits are payable. Any applicable benefit periods, benefit limits and maximums, and the policy aggregate maximum are shown in the *Schedule of Benefits*. Please read these, the *General Exclusions and Benefit Specific Exclusion* Sections in order to understand all of the terms, conditions and limitations applicable to these benefits.

The covered injury must result directly from a covered accident.

Covered expenses are shown in the *Schedule of Benefits*.

We will pay a benefit for **medically necessary covered expenses incurred** by the **covered person**, for a **covered injury** that resulted from a **covered accident**.

Benefits will be paid:

1. When **covered expenses incurred** exceed any applicable **policy aggregate offset**
2. As long as the first **covered expense** has been **incurred** within the treatment window specified in the *Schedule of Benefits*; and
3. Until any applicable **benefit period** shown in the *Schedule of Benefits* has expired; and
4. Until the total of **covered expenses** paid equals any applicable Benefit Limit or Maximum Limits shown in the *Schedule of Benefits*; and
5. Until benefits paid under this **certificate** equal the **policy aggregate** maximum in the *Schedule of Benefits*.

Full Excess Medical Expense

We will pay **covered expenses**, up to the Full Excess Medical Benefit shown in the *Schedule of Benefits* secondary to any **other health care plan** the **covered person** may have. Benefits payable will be limited to that part of the **covered expense**, if any, which is in excess of the total benefit payable for the same injury under any **other health care plan**:

1. Without regard to any Coordination of Benefits provision in any **other health care plan**.

If the **other health care plan** also provides benefits on a full excess basis, benefits under this **certificate** will be matched with the other health care plan to allow 50% of any **covered expenses** up to the Full Excess Medical Benefit shown in the *schedule of benefits*. Benefits paid under this **certificate** will not exceed:

1. Any applicable maximum; and
2. 100% of the **covered expense** incurred when combined with benefits paid by any **other health care plan**.

For the purposes of this **certificate**, a **covered person's** entitlement to any **other health care plan** will be determined as if this **certificate** did not exist and will not depend on whether timely application for benefits from any **other health care plan** is made by or on behalf of the **covered person**.

Benefits under this **certificate** will be reduced to the extent that benefits for **covered expenses** are covered by any **other health care plan** whether or not a claim is made for such benefits.

Any **covered expenses** payable under this **certificate** will be reduced by the **Other health care plan** Reduction Percentage shown in *Schedule of Benefits* if:

1. The **covered person** is eligible under this **certificate** for benefits in excess of another **health care plan** and the **covered person** has coverage that is primary under another **health care plan**; and
2. The **other health care plan** is an **HMO, PPO** or similar arrangement; and

3. The **covered person** does not use the facilities or services of the **HMO, PPO** or similar arrangement.

Covered expenses payable will not be reduced for emergency treatment within 24 hours after a **covered accident** which occurred outside the geographic service area of the **HMO, PPO** or similar arrangement.

Non-Duplication of Benefits

This provision applies if the **covered person**:

1. Is covered by any other **health care plan**; and
2. Would, as a result, receive total medical expense or service benefits in excess of the expenses actually incurred.

In this case, the **covered expenses** **We** will pay under this **certificate** will be reduced by such excess. This provision does not apply if **We** would be primary under any Coordination of Benefit provision in any other **health care plan**.

Benefits paid under this **certificate** will not exceed:

1. Any applicable maximum; and
2. 100% of the **covered expense** incurred when combined with benefits paid by any other **health care plan**.

NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

Persons Covered

COVERAGE

Generally, an individual is covered by the Association if the insurer was a member of the Association and the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payee or assignees, whether or not they live in California.

Amounts of Coverage

The basic coverage protections provided by the Association are as follows.

Life Insurance, Annuities and Structured Settlement Annuities

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

Life Insurance

- 80% of death benefits but not to exceed \$300,000
- 80% of cash surrender or withdrawal values but not to exceed \$100,000

Annuities and Structured Settlement Annuities

- 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for all life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

Health Insurance

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association's website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract

- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.califega.org, or contact either of the following:

California Life and Health Insurance Guarantee Association	California Department of Insurance Consumer Communications Bureau

Insurance companies and agents are not allowed by California law to use the existence of the Association or its coverage to solicit, induce or encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and California law, then California law will control.
