The Board had discussion on tips for responding to SB 1421 Peace officers release of records request.

### H.2. Budget-to-Actual as of December 31, 2018

Mr. Beverly reviewed the Budget-to-Actual report with the Board. Mr. Beverly noted that Alliant received a letter from the Department of Industrial Relations Office of Self Insurance Plans (DIR OSIP) indicating that the annual assessment was miscalculated and as a result, the pool will receive a refund of the overpayment, estimated around \$57,000.

Information only, no action taken.

### I. JPA BUSINESS

### I.1. FY 19/20 NCCSIF Administration Budget

Mr. Beverly provided an overview of the preliminary FY 19/20 Administration Budget. The budget increases for service providers are based on current contracts. Mr. Beverly noted the State Fund Assessment was miscalculated and the Department of Industrial Relations issued a corrected invoice that resulted in a \$57,000 savings. With this correction, the budgeted increase of 15% from the actual corrected expense for FY 18/19, is essentially flat for next year. Overall, the budget increase is 2.4% over last year's budget.

### I.2. Actuarial Services - Mike Harrington, Bickmore Actuarial

### I.2.a. Actuarial Services Transition to "Bickmore Actuarial"

Mr. Mike Harrington discussed the change of services from York Risk Services Group, Inc. (York) to "Bickmore Actuarial" to the Board. Effective April 1, 2019, the Bickmore Actuarial Group will become a wholly independent entity and will no longer be part of York. Having the actuarial team operate as an independent group will eliminate any perceived conflicts by current and future York clients. The change is transparent and all actuarial staff has transferred over to the new company.

### I.2.b. Actuarial Study for Workers' Compensation Program

Mr. Harrington of Bickmore Actuarial presented the Actuarial Study of the Workers' Compensation program. Mr. Harrington noted the pool does not cover 4850 SC (Salary Continuation) and 4850 TD (Temporary Disability) benefits for safety personnel. All actuarial estimates for WC exclude 4850 SC and 4850 TD, but the Actuarial study provides for analysis with and without the 4850 for reference. The recommended funding range is 75% to 85% CL (Confidence Level) and the pool is currently at 80% CL. Overall, the ultimates are down, liabilities are up, surplus is up and rates are down.

The Board had brief discussion on the logic behind the JPA's decision to exclude 4850 from coverage.

A motion was made to accept and file the Actuarial Study of the Self Insured Workers' Compensation Program as presented.

Motion: Kristina Miller Second: Sandy Ryan Motion Carried

Ayes: Cottrell, Shafer, Benson, Miller, Ancheta, Koehn, Haile, Arteaga, Hanken, Blankenship,

### **I.2.c.** Actuarial Study for Liability Program

Mr. Harrington of Bickmore Actuarial presented the Actuarial Study of the Liability program. The recommended funding range is 75% to 85% CL and the pool is currently at 80% CL. Overall, the Banking Layer ultimates are down, liabilities are down, surplus is up and rates are down. The Shared Risk Layer ultimates are up, liabilities are up, surplus is down and rates are up.

A motion was made to accept and file the Actuarial Study of the Self Insured Liability Program as presented.

Motion: Sandy Ryan Second: Kimberly Sarkovich Motion Carried

### I.3.a. Annual Banking Plan Adjustments - James Marta & Company

The Net Equity above the pool is ten times the \$100,000 Self Insured Retention (SIR) and 90% confidence level in excess of the outstanding liabilities. The total dividend is \$888,546 which represents 35% of the available net position, and the total assessment is \$245,862 which represents 20% of the amount for those members who fell below the required funding.

After review and discussion, a motion was made to approve the 35% Banking Layer refund from the Workers' Compensation program for eligible members and 20% assessment to those members who fell below the required funding per the Policy and Procedure A-1 Banking Plan Adjustments.

Motion: Tim Sailsbery Second: Dave Warren Motion Carried Ayes: Cottrell, Shafer, Benson, Miller, Ancheta, Koehn, Haile, Arteaga, Hanken, Blankenship, Rodriguez, McCay, Will, Warren, Ryan, Jasso, Sarkovich, Sailsbery, Springer

Nays: None

### I.3.b. Annual Shared Risk Plan Adjustments - Alliant Insurance Services

Mr. Beverly reviewed the plan adjustment calculation for the Workers' Compensation Shared Risk Layer and noted that the fund has \$1,778,000 in excess of the minimum required assets, defined as the lesser of total assets less outstanding liabilities at the 90% Confidence Level or Net Position of five times the SIR of \$400,000 (\$2,000,000). The Shared Layer refund should be limited to 50%, or \$889,000 per the policy and procedure.

After review and discussion, a motion was made to approve the 50% Shared Risk Layer refund from the Workers' Compensation program per the Policy and Procedure A-12, Shared Risk Layer Plan Fund Adjustments.

Motion: Dave Warren Second: Tim Sailsbery Motion Carried

The individual funding increase cap of 40% applies to Jackson, with a total of \$43,419. This is preliminary numbers and subject to change based on EIA final premium cost.

After review and discussion, a motion was made to approve funding at 80% Confidence Level for FY 19/20 Workers' Compensation program.

Motion: Tim Sailsbery Second: Brad Koehn Motion Carried

Ayes: Cottrell, Shafer, Benson, Miller, Ancheta, Koehn, Haile, Arteaga, Hanken, Blankenship,

Mike Harrington left the meeting at 1:47 p.m.

### I.4. Liability Program

### I.4.a. Annual Banking Plan Adjustments - James Marta & Company

Mr. Beverly reviewed the plan adjustment calculation for the Liability Banking Layer and noted that there are refunds available to members who are in a positive position. The Net Equity above the pool is ten times the \$50,000 SIR and 90% confidence level in excess of the outstanding liabilities. The total dividend is \$336,065 which represents 35% of the available net position, and

the total assessment is \$101,785 which represents 20% of the amount for those members who fell below the required funding.

After review and discussion, a motion was made to approve the 35% Banking Layer refund from the Liability program for eligible members and 20% assessment to those members who fell below the required funding per the Policy and Procedure A-1, Banking Plan Fund Adjustments.

Motion: Liz Cottrell Second: Kimberly Sarkovich Motion Carried

Ayes: Cottrell, Shafer, Benson, Miller, Ancheta, Koehn, Haile, Arteaga, Hanken, Blankenship,

Rodriguez, McCay, Will, Warren, Ryan, Jasso, Sarkovich, Sailsbery, Springer

Nays: None

### I.4.b. Annual Shared Risk Plan Adjustments - Alliant Insurance Services

Mr. Beverly reviewed the plan adjustment calculation for the Liability Shared Risk Layer. Given that this is the second year the fund exceeded its goals after years of assessments, the Program Manager does not recommend a refund or assessment as long as the program continues to fund at the 80% CL.

After review and discussion, a motion was made to approve to not issue refunds or assessments for the Shared Risk Layer Plan Adjustments and continue funding at 80% Confidence Level for FY 19/20 Liability program.

Motion: Kimberly Sarkovich Second: Tim Sailsbery Motion Carried Ayes: Cottrell, Shafer, Benson, Miller, Ancheta, Koehn, Haile, Arteaga, Hanken, Blankenship,

Nays: None

### I.4.c. FY 19/20 Deposit Premium Calculations

Mr. Beverly reviewed the FY 19/20 Deposit Premium calculation to the Board. The total funding at the 80% CL is estimated at \$6,490,858, an increase of 10.1% over current year funding at the 80% CL. Three members exceeded the 25% cap by a total of \$5,356. This is preliminary numbers and subject to change based on CJPRMA final premium cost.

After review and discussion, a motion was made to approve funding at 80% Confidence Level for FY 19/20 Liability program.

Motion: Tim Sailsbery Second: Liz Cottrell Motion Carried

Ayes: Cottrell, Shafer, Benson, Miller, Ancheta, Koehn, Haile, Arteaga, Hanken, Blankenship,

Rodriguez, McCay, Will, Warren, Ryan, Jasso, Sarkovich, Sailsbery, Springer

Navs: None

### I.5. FY 19/20 Property Program Renewal

Mr. Beverly indicated that due to the continuing uncertainty in the market the Property program is expecting a significant rate increase at July 1, 2019 renewal. This is due in part to the increasing intensity of natural disasters and more unpredictable weather has made managing property exposures more challenging than ever.

Discussion ensued on the realization of the hard insurance market and that rate increases are across the board even for insureds with no claims, based on the wildfire exposure. The Board discussed options available to help minimize the impact of expected rate increase for the members. Mr. Beverly indicated that Alliant will obtain a quote for higher deductible that may provide some savings in premium.

No action taken.

Henri Castro and Dave Beal left the meeting at 2:06 p.m.

### I.6. CSAC EIA Endorsement No. U-6: Off Duty Peace Officer Injury (AB 1749)

Mr. Beverly reported AB 1749 was signed into law effective January 1, 2019, that allows employers to provide Workers' Compensation benefits to peace officers for injuries sustained outside of California. This bill stems from the mass shooting in Las Vegas on October 1, 2017. NCCSIF's Excess Workers' Compensation coverage provider, CSAC EIA, has developed an endorsement to provide such coverage, but only if the injury qualifies and the employer has passed the appropriate resolution.

The Board discussed the pros and cons of extending blanket coverage by the JPA and concluded that restriction must be made by individual jurisdiction.

A motion was made to accept the EIA endorsement as part of the NCCSIF Workers' Compensation Memorandum of Coverage effective July 1, 2019 extending the benefits to off-duty officers injured while out of state subject to individual jurisdiction restriction by passing a resolution.

### I.7. York Risk Services Group, Inc. Claims Agreement Renewals

### I.7.a. Workers' Compensation Claims Administration Services

Dori Zumwalt was asked to step out of the room.

Julie Rucker left the meeting at 2:26 p.m.

Toni Benson left the meeting at 2:28 p.m.

Mr. Beverly indicated that York has offered a three-year contract term keeping the annual fee flat at the current amount of \$608,392 per year. This is longer than the one-year extension planned to stagger the expiration dates of the contracts to provide ample time to conduct a request for proposals if needed. The Board is in agreement to renew the WC agreement based on the flat contract pricing as presented.

Mr. Beverly indicated that York has offered a two-year extension for the Liability Claims Administration which is in line with the contract schedule staggering renewal schedule. The proposed fee structure is changing from an hourly rate for time and expenses to a flat fee of \$247,934 for FY 19/20 and \$254,132 for FY 20/21 with an hourly rate for field adjusting. Currently, the time and expense are billed to the file and adjusted accordingly by the Accountant. The average cost for Liability Claims Administration is over \$400,000 per year.

The Board had lengthy discussion over the potential cost of field investigation that was not capped. The Board was concerned about recent staff turnover at York that affected the quality of service to members

A motion was made to approve the two York contracts as presented with stipulation on the Liability contract for the York Liability Claims team to visit all members and to review pending liability claims and provide an update to the Board at the June meeting.

Motion not carried for lack of majority votes.

The Board had further discussion and requested to put a cap of no more than \$360,000 for FY 19/20 and \$365,000 for FY 20/21 so that the field investigation costs could be better controlled.

Dori Zumwalt rejoined the meeting at 2:56 p.m.

Mr. Tim Sailsbery informed Ms. Zumwalt of the actions taken by the Board regarding the two York contract renewals.

A motion was made to approve the Workers' Compensation Claims Administration Services Agreement with York Risk Services Group, Inc. as presented, and requested to put a cap of no more than \$360,000 for FY 19/20 and \$365,000 for FY 19/20 on the Liability Claims Administration Services Agreement with York and further requested that York meet with all members to provide claims updates by the next Board meeting on June 13, 2019.

**RE: Actuarial Services Engagement Letter** 

Dear Mr. Beverly:

Thank you for the opportunity to provide actuarial services to the Northern California Cities Self Insurance Fund (NCCSIF). The following is a brief outline of our understanding of the scope of work to be performed and our fees.

NCCSIF is seeking professional actuarial advice with regard to its self-insured workers' compensation and liability programs. The objectives of the studies are to provide a projection of outstanding liabilities and claim costs. Each report will include the following items:

- Provide a projection of outstanding losses and loss adjustment expenses for all
  preceding fiscal years as of June 30 of the current fiscal year end. The outstanding losses
  and loss adjustment expenses are to be stated at the expected level, as well as at
  various confidence levels.
- Provide a projection of program assets to the current fiscal year end for comparison with the outstanding liabilities to determine the program funding surplus or deficit at the expected level, as well as at various confidence levels.
- Provide program funding levels for the next program year at the expected level, as well as at various confidence levels.
- Provide appropriate rates for claims incurred during the next program year at the expected level, as well as at various confidence levels.
- Each of the estimates specified above will be provided on both discounted and full value bases.
- Each of the estimates specified above will be provided separately for the banking layer and the pooling layer.

- Estimates of the program's cash flow requirements for a given number of fiscal years, separately identified for each accident year.
- Provide a statement of compliance with GASB #10 and GASB #30.
- Optional: Provide an update of program liabilities at June 30 of the current fiscal year end based upon loss data valued as of June 30.

We will agree to complete the scope of work discussed above for the following fees:

## Northern California Cities Self-Insurance Fund (NCCSIF) Workers' Compensation Claims Audit – 2019

This report summarizes the results of an audit of workers' compensation claims for the Northern California Cities Self-Insurance Fund (NCCSIF). Farley Consulting Services (FCS) reviewed 125 claims via access to the claims management information system of York Risk Services Group (York) in Roseville, California. The audit sample breakdown is:

- 90 open indemnity claims
- 10 closed indemnity claims
- 25 open medical only claims

The review was conducted March 17, 2019 through April 1, 2019. FCS's primary contact at York throughout the audit process was Ms. Dorienne Zumwalt. An exit discussion of audit findings was conducted via teleconference with Mr. Jeff Ponta and Mr. Steve Scott of York on April 2, 2019.

York provided written responses to the exit meeting on April 5, 2019. York's comments were considered when preparing this report.

FCS appreciates the opportunity to complete this important project for NCCSIF.

Respectfully submitted,

## Appendix

**Audit Lists** 

## I. Executive Summary

FCS's review of 125 workers' compensation claims for NCCSIF finds that York is providing competent claims administration services. Notable deficiencies are identified in the areas of diary maintenance and claim documentation clarity, but York's overall performance meets or exceeds industry standards for the administration of municipal pooling entities. Exhibit 1 on page 3 provides York's compliance performance by key category.

FCS makes the following observations and recommendations based on the review:

- 1. York is adequately staffed to handle NCCSIF claims. Four indemnity examiners and three medical only/future medical only examiners are assigned to the NCCSIF account. Caseloads for all York personnel are below the recommended maximum of 175 indemnity claims or 300 medical only/future medical claims. Exhibit 2 on page 5 displays the organizational structure of York staff assigned to the NCCSIF account.
- 2. Case reserves are accurate. Two claims require reserve adjustment. Those claims are discussed in Exhibit 3 on page 7.
- 3. The audit identified no inaccurately calculated disability benefit rates. No payment accuracy deficiencies are identified. FCS re-rated 15 of the indemnity claims. York's calculation is accurate for all of the re-rated claims
  - Many member employees qualify for *Labor Code* 4850 benefits. Those benefits are consistently calculated accurately and were disbursed timely.
  - Seven claims generated permanent disability advances that ultimately exceeded the PD award. York notified the employee of the right to take credit for the overpayment in all seven instances.
- 4. Investigation is thorough, but the initial contact of the employee was late on four of he claims. Those claims are listed on page 8. Another claim that is currently designated as medical only should be considered for conversion to indemnity status. That claim is also discussed on page 8.
- 5. Six claims reviewed involve subrogation pursuit. York is aggressively pursuing the responsible party on all of these claims.
- 6. Cost containment is effective. Medical bill review efforts by WellComp resulted in a net savings of 65% of the original amount billed for calendar year 2018. Other similar entities experience average net savings of 62%. A breakdown of these figures is charted on page 9.
- 7. Medical management is effective. York retains nurse case manager vendors and utilization review (UR) vendors only when these mitigating activities cannot be provided by the York examiner. The audit confirms that these key components of medical management are competently performed.

- 8. Sixty-two of the 100 indemnity claims reviewed involve some element of litigation.

  Litigation management is effective. Status updates from defense counsel are timely.

  Referrals to defense counsel are also timely. No litigation management deficiencies are identified
- 9. York is not consistently maintaining timely diary. Four claims lack compliance with accepted diary standards. Those claims are discussed in Exhibit 4 on page 12.
- 10. All material reviewed for this audit was obtained via access to York's Claims Connect information system. That system is accurately recording daily claim administration information, including financial data, daily examiner activity notes, medical documentation, and legal correspondence. Three claims exhibit deficiencies. Those claims are discussed in Exhibit 5 on page 13.
  - Case reserve worksheets are detailed and clearly displayed in the Claims Connect system.
- 11. Supervisory activity is consistently documented to the information system. No claim administration supervision deficiencies are identified.
- 12. Thirteen of the claims reviewed qualify for reporting to excess insurers. All but one of these qualifying claims were reported to the excess provider timely. The possibly deficient claim is discussed on page 11.

These and other elements of the study are discussed in more detail in the remainder of this report.

## **II.** Audit Results

## A. Background

NCCSIF seeks a comprehensive audit of its workers' compensation claims currently administered by York to ensure effective claims administration and adherence to California workers' compensation statutory guidelines.

FCS reviewed 125 claims remotely via access to the York Claims Connect information system.

York provided a list of all open and closed claims in Excel format. FCS chose the audit sample from that list.

An exit discussion of audit findings was conducted with York staff on April 2, 2019. York issued written responses to those findings on April 5, 2019. Those responses were considered when preparing this report.

FCS thanks York for its complete cooperation during this audit process.

## **B.** Claims Handling Analysis

This section of the report discusses specific elements of workers' compensation claims handling. Recommendations for improvement are incorporated into the discussion of each element.

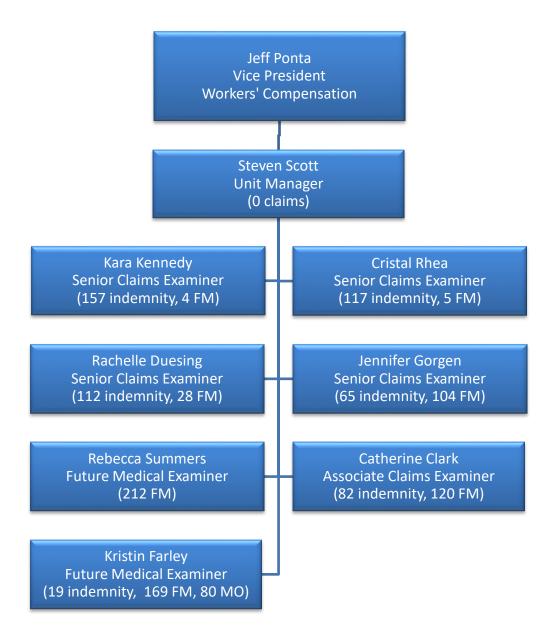

## 1. Staffing/Caseloads

York is adequately staffed to administer NCCSIF claims. Exhibit 2 displays the current organizational structure of York claims handling staff assigned to the NCCSIF account.

Total open caseloads are listed below the name.

Exhibit 2 reflects that all of the examiners have caseloads below the recommended maximum of 175 for indemnity and 300 for future medical/medical only.

Exhibit 2 - Claims Handling Personnel/Caseloads Analysis, York

#### 2. Accuracy of Case Reserves

NCCSIF claim reserves should anticipate the ultimate probable cost and should be based on:

- Information contained in Form 5020 (Employer's Report of Occupational Injury or Illness)
- Information contained in Form 5021 (Physician's First Report of Injury or Illness)
- Anticipated temporary disability (TD) benefits
- Anticipated medical costs
- Employee's wage information
- Anticipated vocational rehabilitation (VR)/Supplemental Job Displacement Benefits (SJDB)
- Anticipated permanent disability (PD) benefits
- Consideration of *Labor Code* 4850 benefits
- Life expectancy and average annual medical costs for future medical claims

York is considering these and other factors and is accurately establishing reserves on most claims. Two claims requiring adjustment are discussed in Exhibit 3.

### 3. Payments/Benefit Calculation Accuracy

The audit evaluated the following key elements of claim payments activity:

- The accuracy of York's calculation of permanent disability and temporary disability rates.
- The timeliness of the distribution of temporary disability and permanent disability payments.
- Confirmation that payments and settlements did not exceed the individual examiner's or York's settlement authority levels.
- The identification and timely payment of penalties.
- The identification and accurate application of vocational rehabilitation voucher/payment benefits.

York is accurately calculating temporary disability and permanent disability benefit rates. FCS rerated 15 of the indemnity claims. York's calculations are accurate on all 15 re-rated claims.

## Exhibit 3 - Reserve Analysis, NCCSIF

| Claim No.   | Current<br>Outstanding Reserve | Recommended<br>Outstanding Reserve* | Comments   |
|-------------|--------------------------------|-------------------------------------|--|
| NCWA-556435 | \$64,587<br>(PD)               | \$35,000<br>(PD)                    | Claim activity notes indicate this claim has settled for a 33% stipulated award (roughly \$44,000). \$9,943 has already been advanced.   |
| NCWA-558175 | \$12,000<br>(Labor Code 4850)  | \$0<br>(Labor Code 4850)            | The claim was still open at the time of this review. The employee was medically discharged on 2/21/19. York indicated the claim was eventually closed after the date FCS reviewed the claim. |

<sup>\*</sup> Reserve recommendations are based on the review of files for similar municipal pooling entities in California.

## 4. Quality of Investigation

Proper investigation for NCCSIF workers' compensation claims includes:

- Making prompt contact with the injured employee, the treating physician, and the employee's direct supervisor (3-point contact).
- Verifying the injury is work related.
- Researching injury history (indexing) to determine potential for apportionment.
- Canvassing for possible witnesses to the industrial accident.
- Obtaining recorded or written statements regarding the incident from injured employees or witnesses when possible.
- Follow-up contact with medical providers to gain a clear understanding of the severity of the injury and the anticipated duration of disability.
- Obtaining accurate, wage information from the employer.
- Obtaining police accident reports when the industrial injury is the result of a traffic accident.
- Obtaining updated wage information to accurately calculate benefits.
- Identifying claims with rehabilitation potential and effectively monitoring rehabilitation progress.
- Identifying employees who are subject to Medicare Set Aside (MMSEA) processing.
- Identification and aggressive pursuit of other parties responsible for the injury (subrogation).

York is conducting thorough investigation on NCCSIF claims, but initial contact of the employee is late or absent on four claims. Those claims are:

- NCWA-558044-claim received 9/20/18; first contact 9/27/19
- NCWA-558098-claim received 11/15/18; first contact 11/28/19
- NCWA-558129-claim received 12/12/18; first contact 12/19/18
- NCWA-558154-claim received 1/4/19; first contact 1/9/19

Claim number NCWA-558037 is currently listed as medical only. The claim has been open for roughly 8 months. The employee was medically discharged and then renewed physical therapy treatments. Due to the length of time the claim has been open, York should consider converting it to an indemnity claim.

#### 5. Subrogation

Six of the claims reviewed involve situations where the NCCSIF member may recover funds expended for benefits from another responsible party. York pursued the responsible party aggressively in all instances. No subrogation deficiencies are identified.

#### 6. Cost Containment

Thorough scrutiny of all medical bills to identify charges not in compliance with California's fee schedule and charges or treatments that are not work related is a vital element of a fiscally responsible workers' compensation program. A complacent cost containment policy can result in thousands of dollars in unnecessary payments on a single claim. Multiplied by a substantial claim volume, this faulty policy can change a cost-effective program into a matter of great fiscal concern.

Bill review activity is performed by WellComp, a York affiliate. The table below documents the results of WellComp's fee schedule compliance efforts. NCCSIF's annual 65% net savings is comparable to the 62% net savings experienced by similar entities.

#### NCCSIF Fee Schedule Savings - WellComp Calendar Year 2018

| Α | A Number of bills processed 7,7    |  |

| В | B Original amount billed \$6,037,0 |  |
| С | Amount paid                        | \$2,026,198                                      |

| F | Net savings<br>(D) – (E)           | \$3,922,441 or 65% of original amount billed (B) |

## 7. Return-to-Work Policy

Any success in implementing a return-to-work program relies significantly on the individual member's ability to accommodate work restrictions.

Claim administration material consistently documents York's attempt to communicate work restrictions to the member site representative. The material also consistently document job analyses instrumental in assisting in the evaluation of the injured employee's ability to perform specific tasks. These positive results have been apparent in past audits as well.

## 8. Medical Management

York is complying with industry standards for medical management. WellComp also facilitates this cost mitigating service. Medical management review confirms the following:

- Outside nurse case management vendors were utilized at appropriate times. The fees charged by these vendors are similar to fees for nurse case management vendors for similar programs.
- The timeliness of payments/objections to medical bills is evident in all of the claims where medical bill processing is an issue.
- Utilization Review is evident when necessary.

## 9. Litigation Management

This category seeks to verify:

- That defense attorneys and the employee's attorney are responded to timely.
- That defense counsel fees are within industry averages.
- That claim examiners are performing routine activities and not assigning defense counsel to perform tasks that the examiner should be performing.

Sixty-two of the 100 indemnity claims reviewed involve some degree of litigation. This is not necessarily the actual litigation rate for NCCSIF. FCS focused on high-value claims that routinely involve litigation. Other California municipalities experience an overall litigation rate of between 35% and 40%.

York is effectively managing litigation on the claims reviewed. This is based on the following key findings:

- Referrals to defense counsel are timely in all instances. NCCSIF is bound by statutory requirements for filing answers to applications for adjudication of claims. The referrals also clearly set forth the facts of the claim and communicate the expectation of counsel. These expectations include submission of a proposed budget and plan of action.
- Communication between the York examiner and the assigned defense counsel is timely and thorough.
- Litigation expense rates are within the industry average for the handling of public entity claims.

The audit identified no litigation management deficiencies.

### 10. Diary/Case Closure

Active, unresolved claims require some adjusting activity every 45 days. Resolved claims for which the only remaining issue is the processing of medical benefits should be reviewed at least every 180 days. York is consistently complying with these standards. Still, 4 claims exhibit deficiencies. Exhibit 4 lists and discusses those claims.

## 11. Documentation and Risk Management Information System (RMIS) Clarity

All material reviewed for this project was accessed remotely using the York Claims Connect system. That system is efficiently recording routine claims administration activity such as reserve/payment data, daily examiner activity notes, medical documentation, and state-required form documentation on most claims. Three claims exhibit deficiencies. Exhibit 5 discusses those claims.

### 12. Supervision

All claims reviewed exhibit timely, instructive input from the York supervisor. No supervisory deficiencies are identified.

#### 13. Excess Notification

Thirteen of the claims reviewed meet excess reporting requirements. Claim number NCWA-557901 pertains to a firefighter who presents a claim for cancer. The employee has died. The claim is currently denied with a precautionary \$100,000 indemnity reserve. Despite its denied status, York should consider reporting the claim to the excess provider due to the fatality.

## **Exhibit 4 - NCCSIF Diary Maintenance Analysis**

| Claim Number | Discussion  |
|--------------|---|
| NCWA-554687  | There is no documented activity in the note screen between 11/8/13 and 1/16/19.   |
| NCWA-557784  | A PQME deemed the employee permanent and stationary (P&S) on 5/29/18. It is unclear why no attempt to settle with a stipulated award has been made. Activity notes indicate the City and York are attempting to settle the claim by compromise and release (C&R), but that activity is fairly recent. |
| NCWA-557828  | Claim activity notes exhibit no activity between 3/28/18 and 2/8/19.  |
| NCWA-557843  | Claim activity notes exhibit no activity between 4/4/18 and 1/9/19.   |

## **Exhibit 5 - NCCSIF Claim Documentation Analysis**

| Claim No.   | Comments  |
|-------------|---|
| NCWA-374501 | There are two active claims for this employee. The discussion pertaining to settlement and the outstanding reserves on each claim do not match. It appears notes for one claim pertain to the other claim. In one instance a note stating, "Indemnity no longer needed on this claim" appears. There is no explanation for this as the claim has a significant PD reserve and will likely be part of a global settlement of all claims for this employee. |
| NCWA-557248 | There are multiple different PD ratings and amounts referred to in claim activity notes and claim management review (CMR) inputs.   |
| NCWA-72566  | The most recent case reserve worksheet was completed more than 2 years ago. An updated worksheet is due.  |

Re: Response to Work Comp Audit Results for NCCSIF – Farley Consulting Services

Dear Ms. Ehrenstrom and Mr. Beverly:

This letter is in response to the Farley Consulting Services workers' compensation audit report dated April 8, 2019 for Northern California Cities Self-Insured Fund. We note the overall score of 97.7% and have reviewed the audit findings. A total of 125 files were reviewed and we are pleased to have scored at or above the target performance level in 8 out of the 9 categories. Please accept the following response to the audit as well as our plan on how we intend to meet all stated target performance levels in all categories.

There was only one category that did not meet the target performance level, Excess Reporting Identification and Timeliness. For that category, 13 total files were reviewed and 1 file did not meet excess reporting requirements (claim #NCWA-557901). The claim was and continues to be reported to excess however, the initial excess report was issued late. We have reviewed the findings and recommendations of the auditor and have discussed with the claims team the importance of timely and accurate reporting to excess. Through examiner and supervisor diary reviews, we will review the type of claim, claim coding, total incurred, paid to date, and SIR level to ensure timely initial and ongoing reporting to the excess carrier.

We will continue to strive to meet all stated performance levels on all files and we appreciate our partnership with NCCSIF. We are dedicated in our commitment to continue to provide excellent claims handling to the NCCSIF members.

Please let us know if you have any questions or need additional information.

Sincerely,

Steven Scott

#### Northern California Cities Self Insurance Fund Notes to Budget to Actual As of March 31, 2019

#### 1. Revenue Recognition

The budget presents revenue to be earned during the entire fiscal year. In accordance with the accrual basis of accounting, the YTD Expended columns show only the amount earned by the organization, year-to-date.

#### 2. Investment Income

No budget is developed for the Change in Fair Value and Interest Income amounts, as it is difficult to predict the yield on the organization's portfolio.

#### 3. CJPRMA Refund

For budgeting purposes, the CJPRMA refund is recorded in the year following its approval. In accordance with the accrual basis of accounting, the refund to the organization is recorded on the books in the period it was declared.

#### 4. Claims Expenses

Claims related expenses are budgeted based on the estimated claims expense for the year. Claims related expenses are recorded on the books in several additional categories. Review of the budget to actual performance of claims related items should take this into consideration.

#### 5. Insurance Expense Recognition

The budget presents excess and other insurance expense based on the policy fee paid for entire fiscal year. In accordance with the accrual basis of accounting, the YTD Expended columns show only the portion of the policy used by the organization, year-to-date. The remainder of the policy fee paid, but not used to date is recorded in Prepaid Expenses on the Statement of Net Position, as applicable.

Agenda Item H.2.

#### **BUDGET TO ACTUAL AS OF MARCH 31, 2019**

#### **INFORMATION ITEM**

**ISSUE:** Members have asked for this item to be reviewed at each meeting to ensure that NCCSIF finances are on track. They have requested that the Program Administrators discuss any items pertaining to the budget, updating members on the status of the current budget-to-actual.

NCCSIF administrative expenses year-to-date are \$1,139,919, or 88% of the budgeted amount, with 12% of the budget remaining for fourth quarter expenses. However, two significant credits to the budget are pending. The Liability Program Miscellaneous Consulting/Contingency expenses are currently over budget for property appraisal expenses of \$89,600 that will be reclassified as property pass-through expenses. In addition, a \$57,265 partial refund of the annual Workers' Compensation State Assessment will be credited by the end of the fiscal year.

One category under budget is Member Training and Risk Management. All members have up to \$4,000 to spend on training, a total of \$88,000. Through March 31 only \$24,183, or 27%, of the budgeted amount has been paid. *Members are encouraged to assess their training needs and submit requests for these funds prior to June 30<sup>TH</sup>*.

**RECOMMENDATION:** None.

FISCAL IMPACT: None.

BACKGROUND: None.

Agenda Item I.1.a.

#### FY 19/20 NCCSIF MEMORANDUM OF COVERAGE - LIABILITY

#### **ACTION ITEM**

**ISSUE:** The Board annually reviews and approves the Liability Memorandum of Coverage (MOC). The NCCSIF MOC is an "underlying" form that incorporates the excess Memorandum of Coverage provided by the California Joint Powers Risk Management Authority (CJPRMA). **There are no changes to the excess Memorandum of Coverage provided by CJPRMA.** 

There is a change to the NCCSIF Memorandum of Coverage, to the endorsement for transit systems. The endorsement has also been named Transit Operations and both it and the Violent Event Coverage endorsements are listed on the Declarations page.

Members should take note that any transit services they offer. Currently only Dixon and Auburn have covered programs. See below for referenced CJPRMA exclusions.

**RECOMMENDATION:** Review and approve the FY 19/20 NCCSIF Liability Memorandum of Coverage, incorporating the revised endorsement per the attached.

FISCAL IMPACT: None.

#### LIABILITY

#### UNDERLYING MEMORANDUM OF COVERAGE

The Northern California Cities Self Insurance Fund (hereinafter called NCCSIF) is an intergovernmental agency, risk sharing, joint powers authority, duly formed pursuant to California Government Code Sections 6500-6512, and other provisions of law.

This Memorandum of Coverage is a contract between the NCCSIF and its Members which sets forth certain duties, responsibilities and obligations of each party. This Memorandum of Coverage is not an insurance policy or document, and is not necessarily subject to the particular rules of law which apply to an insurance policy or to interpretation of insurance policies or insurance related documents.

#### 1. COVERAGE AGREEMENT

In consideration of the payment of the required deposit and subject to all the terms of this Memorandum of Coverage, NCCSIF agrees to pay on behalf of the Member a Loss resulting from any occurrence covered by the terms of the California Joint Powers Risk Management Authority (CJPRMA) Memorandum of Coverage effective for the Coverage Period under Item 4. of the Declarations to this Memorandum, except for the Limits of Liability and defense provisions and as amended within this Memorandum or by endorsement. The coverage afforded by this Memorandum shall be primary unless Other Insurance is applicable.

#### 2. LIMIT OF LIABILITY

The Limit of Liability applicable to this Memorandum is as stated under Item 7 of the Declarations.

In the event of a coverage dispute, under no circumstances shall the NCCSIF be liable for consequential damages, "bad faith" damages, or any sums beyond the amounts due under CJPRMA Memorandum of Coverage Section I - Coverages, plus interest at the same rate as NCCSIF earned on investments for the time period involved.

#### 3. EXCLUSIONS

A. Exclusions No. 24 and No. 35, dealing with Transit Systems, of the CJPRMA Memorandum of Coverage do not apply to this Memorandum of Coverage.

- B. Exclusion No. 22 of the CJPRMA Memorandum of Coverage does not apply under this Memorandum to inverse condemnation liability arising from accidentally caused physical injury to or destruction of tangible property, including all resulting loss of use of such property, for which the covered party may be legally responsible.
- C. As stated under "Covered Party" definition, coverage does not apply to loss resulting from any employee or volunteer who has five or more violation points as valued and enumerated on the Department of Motor Vehicles Negligent Operator Count list within the three years immediately preceding the loss.

However, this exclusion shall apply to the covered employee or volunteer only, and not the vicarious liability of the Member, except that if the Member knowingly permits a covered employee or volunteer to operate after accumulating five or more violation points, this exclusion applies to the Member as well.

#### 4. **DEFINITIONS**

The conditions of this Memorandum of Coverage shall be applied as if the definitions of words listed below had been included with the word or words each time they appear in this Memorandum.

#### **COVERED PARTY:**

This includes all entities named in the Declarations page, including any and all commissions, agencies, districts, authorities, boards (including the governing board) or similar entities coming under the entity's direction or control, or for which the entity's board members sit as the governing body, except a hospital board or commission, regardless of how it is denominated.
- (b) Any person or entity identified as a covered party holding a certificate of coverage duly issued by the Authority, for occurrences during the coverage period identified in the certificate of coverage; if a particular activity is identified in the certificate of coverage, the person or entity is a covered party only for occurrences arising out of the described activity.
- (c) Any person who is an official, employee or volunteer of a person or entity covered by (a) or (b) herein, whether or not compensated, while acting in an official capacity for or on behalf of such person or entity, including while acting on any commission, regardless of how such body is denominated. - (d) With respect to any automobile owned or leased by a covered party (described in (a) or (b) above), or loaned to or hired for use by or on behalf of the covered party, any person, while using such automobile, and any person or organization legally responsible for the use thereof, provided the actual use is with the express permission of the covered party, but this protection does not apply to the an covered party as respects:
  - any employee or volunteer who has five or more violation points, as valued and enumerated on the Department of Motor Vehicles Negligent Operator Count list within the three years immediately preceding the "loss."
  - 2) any person or organization, or any agent or employee thereof, operating an automobile sales agency, repair shop, service station, storage garage or public parking place, with respect to an occurrence arising out of the operation thereof; or
  - 3) the owner or any lessee, other than the covered party, of any automobile hired by or loaned to the covered party or to any agent or employee of such owner or lessee.

This agreement does not provide uninsured or underinsured motorist coverage.

**LOSS:** The total of all defense costs incurred by the covered parties and all damages for which the covered parties are liable either by adjudication or by compromise with the written consent of NCCSIF, after making proper deduction for all recoveries and salvages, arising from an occurrence to which this coverage applies. Loss does not include attorneys' fees or costs awarded to the prevailing party in a suit except where such attorneys' fees or costs are attributable to a claim for damages covered by this Memorandum.

Additionally, for any claim or suit seeking damages that would be potentially covered by this Memorandum of Coverage but for the operation of an Exclusion, NCCSIF shall, upon request, include within the definition of loss, damages for which the covered parties are liable either by adjudication or by compromise up to the limit of coverage in the Member City's Banking Layer shown on the Declarations.

#### 5. OTHER INSURANCE or COVERAGE

The coverage afforded by this Memorandum shall be excess over any other valid and collectible insurance or coverage available to the Member City and applicable to any part of the loss, whether such other insurance or coverage is stated to be primary, excess,

contingent or otherwise, unless such other insurance or coverage specifically applies as excess insurance or coverage over the limits provided in this Memorandum of Coverage.

#### 6. NOTICE OF OCCURRENCE

Upon the happening of any occurrence likely to involve NCCSIF under this Memorandum, the Member shall give notice, either written or oral, as soon as practicable to the Claims Administrator of NCCSIF as listed in Item 10 of the Declarations. Such notice shall contain particulars sufficient to identify the Member and fullest information obtainable at the time. If legal proceedings are begun, the Member shall forward to the NCCSIF Claims Administrator each paper therein, or a copy thereof, received by the Member or the Member's representative, together with copies of reports or investigations with respect to such claim proceedings.

#### 7. **DEFENSE**

NCCSIF shall assume charge of the investigation, settlement or defense of any claims made, or suits brought, or proceedings instituted against the Member that in the opinion of NCCSIF may create liability on the part of NCCSIF under the terms of this Memorandum of Coverage.

Additionally, for any claim or suit seeking Damages that would be potentially covered by this Memorandum of Coverage but for the operation of Exclusion, NCCSIF shall, upon request, reimburse the Member's cost of defense of the claim, up to the limit of coverage in the Member's Banking Layer shown in the Declarations. This supplemental defense cost coverage shall not apply to coverage in the pooled risk sharing layer shown in the Declarations.

#### 8. PAYMENT OF LOSS

Upon final determination of Loss, NCCSIF will promptly pay on behalf of the Member the amount of Loss falling within the terms of this Memorandum of Coverage.

#### 9. SUBROGATION

In the event of any payment under this Memorandum of Coverage, NCCSIF will be subrogated to all the Member City's rights of recovery against any person or organization and NCCSIF shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights.

The amount recovered as subrogation shall be apportioned in the inverse order of payment of the Loss to the extent of the actual payment. The expenses of all such recovery proceedings shall be apportioned in the ratio of the respective recoveries.

#### 10. CANCELLATION

This Memorandum of Coverage may be canceled in accordance with the terms of the JPA Agreement and Bylaws of NCCSIF.

#### 11. ARBITRATION OF COVERAGE DISPUTES

#### **COVERAGE DETERMINATIONS**

The Claims Committee shall make the initial determination whether to deny coverage on all or part of a claim, or to reserve the Authority's right to deny coverage on all or part of a claim, if a loss subsequently exceeds the retained limit.

A decision by the Claims Committee to deny coverage can be appealed to the Board of Directors. Notice of such appeal shall be submitted in writing within thirty (30) calendar days of the date of the Claims Committee's written notice of decision.

The appeal shall be considered by the Board of Directors at the next regular or special meeting following receipt of the written appeal; if the appeal is received too late for inclusion in the agenda packet, it can be postponed to the next following Board meeting. The Program Administrator in conjunction with the Claims Committee and the covered party will have the right to submit written materials and present oral argument to the Board, subject to reasonable time constraints. Any dispute concerning a decision by the Board to deny coverage for all or part of a claim shall not be subject to any court action, but may instead be submitted to binding arbitration in accordance with the procedures set forth below. Notice of a request for binding arbitration by the covered party must be submitted within thirty (30) calendars days from the date of the noticed decision by the Board of Directors.

Under no circumstances shall the NCCSIF be liable for consequential damages, "bad faith" damages, or any sums beyond the amounts due under CJPRMA Memorandum of Coverage Section I – Coverages, plus interest at the same rate as NCCSIF earned on investments for the time period involved.

Within ten (10) calendar days after their selection, these two arbitrators shall select a third independent arbitrator. If the two sides cannot agree on the selection of the third arbitrator within ten (10) calendar days, either side may petition the Sacramento County Superior Court for the appointment of the third arbitrator pursuant to the provisions of section 1281.6 of the California Code of Civil Procedure. The third arbitrator shall be an attorney and preside as the Chairperson of the arbitration panel. No arbitrator shall be employed or affiliated with the Authority or the covered party or parties.

3) Testimony Under Oath
The testimony of witnesses shall be given under oath.

#### 4) Length of Hearing

The panel will endeavor to confine the length of the hearing to two (2) days. A decision of the panel shall be reported in writing. The written decision of the panel shall be given to both sides within thirty (30) calendar days of the close of the hearing.

#### 5) Certified Shorthand Reporter

Either side wishing a certified shorthand reporter record shall make arrangements directly with a certified shorthand reporter and notify the other side of such arrangements in advance of the hearing. The requesting side shall pay the cost of recording the hearing if no transcript is ordered. If a transcript is ordered, the cost of the transcript and of recording the hearing shall be prorated equally among the parties ordering copies.

### (b) FUNDING OF DEFENSE AND PAYMENT OF CLAIMS PENDING RESOLUTION OF DISPUTE

During the course of the arbitration proceedings provided herein, the covered party will be responsible for all fees and expenses for investigation, defense or litigation of a claim or lawsuit. ## LIABILITY AMENDATORY ENDORSEMENT UNDERLYING MEMORANDUM OF COVERAGE

#### VIOLENT EVENT COVERAGE

It is understood and agreed that after a **Violent Event** requiring emergency service response from any Member, such Member may elect payment up to the amount of their Banking Layer.

**Violent Event** is defined as an individual or group of individuals who has used or attempted to use deadly force on other persons and continues to do so while having unrestricted access to additional victims.

Notwithstanding what is stated in the applicable declarations, the limit of coverage described in this endorsement shall not exceed the Member's Banking Layer per **Violent Event** or in the aggregate for the applicable Program Year.

All other terms and conditions of this underlying memorandum of coverage are unchanged. If this endorsement is issued after the effective date of this underlying memorandum of coverage, then it must be signed by an Officer of NCCSIF.

Agenda Item I.1.b.

## FY 19/20 NCCSIF MEMORANDUM OF COVERAGE - WORKERS' COMPENSATION

#### **ACTION ITEM**

**ISSUE:** The Board annually reviews and approves the NCCSIF Workers' Compensation Memorandum of Coverage (MOC). There is one changes to the MOC for FY 19/20, an endorsement enabling members to extend benefits to off-duty police officers injured while out of state, if they choose to do so by passing a resolution. The endorsement attached uses the language from the excess MOC to maintain consistency.

The Board accepted adding this option to the MOC at their April 25 meeting. Please refer to that agenda packet or contact the Program Administrators if you need more background information on this topic.

Also attached is a sample resolution from Inyo County that extends benefits but also places restrictions not in the enabling legislation, most notably that coverage is not extended for psychiatric injuries

Note, NCCSIF does not cover a member's obligation to pay any portion of Labor Code 4850 benefits, including Salary Continuation (and TD - the amount that would be payable in Temporary Disability if 4850 did not apply). The excess coverage provided by CSAC-EIA does not cover the LC 4850 Salary Continuation portion, but does cover the WC related TD expenses. York keeps track of both types of payments to assure proper credit.

**RECOMMENDATION:** Review and approve the FY 19/20 NCCSIF Workers' Compensation MOC.

**FISCAL IMPACT:** None directly, with additional exposure to claims from off-duty officers depending on member extension of benefits.

**BACKGROUND:** NCCSIF annually reviews and approves the Workers' Compensation MOC, including any recommended changes based on member feedback and/or changes made to the excess MOC provided by CSAC-EIA. Each member maintains a Banking Layer to pay the first \$100,000 of any claim, with NCCSIF providing coverage from \$100,000 to \$500,000 in the Shared Layer. CSAC-EIA provides excess coverage for Part One – Workers' Compensation from \$500,000 to Statutory Limits, with a \$5,000,000 limit for Coverage Part Two - Employer's Liability coverage.

## WORKERS' COMPENSATION & EMPLOYER'S LIABILITY MEMORANDUM OF COVERAGE

The Northern California Cities Self Insurance Fund (hereinafter called NCCSIF) is an intergovernmental agency, risk sharing, joint powers authority, duly formed pursuant to California Government Code Sections 6500-6512, and other provisions of law.

This Memorandum of Coverage is a contract between the NCCSIF and its Members that sets forth certain duties, responsibilities and obligations of each party. This Memorandum of Coverage is not an insurance policy or document, and is not necessarily subject to the particular rules of law that apply to an insurance policy or to interpretation of insurance policies or insurance related documents.

#### **INTRODUCTION**

In return for the payment of the premium and subject to all terms and conditions of this agreement, Northern California Cities Self Insurance Fund (NCCSIF) agrees with you (the Member agency named in the Declarations) as follows:

#### **GENERAL SECTION**

#### A. THE AGREEMENT

This agreement includes the Declarations and all endorsements and schedules attached to it. It is a coverage agreement between you and us. The only agreements relating to this coverage are stated in this coverage agreement.

The terms of this agreement may not be changed or waived except by endorsement issued by us to be part of this agreement. You are responsible for telling us at once when the information contained in this agreement is no longer accurate for your operations.

This agreement, including the Declarations, endorsements and schedules attached to it, and any specified section of the JPA Agreement or Bylaws constitutes the entire coverage agreement. No condition, provision, agreement or understanding not stated in this coverage agreement will affect any rights, duties or privileges in connection with this coverage agreement.

Under no circumstances shall NCCSIF be liable for consequential damages, "bad faith" damages, or any sums beyond the Limit of Liability shown in the Declarations.

#### B. WHO IS COVERED

The Member Agency named in the Declarations is covered for liability to its employees, subject to the provisions of this agreement.

#### C. WORKERS' COMPENSATION LAW

Workers' compensation law means the Workers' Compensation Laws of the State of California (which include injury by both accident and disease). It includes any amendments to that law that are in effect during the coverage period. It does not include the provisions of any law that provide non-occupational disability benefits. The term "Workers' Compensation Law" shall also include the United States' Longshore and Harbor Workers Compensation Act, also known as LHWCA (33 USC Sections 901-950).

#### D. LOCATIONS

This agreement covers all of your workplaces in California and in other states if listed unless you have other insurance, are self-insured or covered under another Joint Powers Authority for such workplaces.

#### E. WHO IS ELIGIBLE FOR BENEFITS

Your employees (or in the event of their death, their dependents) are eligible for benefits under this agreement, except that employees who are excluded under Workers' Compensation Law are not eligible for benefits under this agreement unless they have been included on the Declarations or by endorsement.

#### <u>PART ONE — WORKERS' COMPENSATION COVERAGE</u>

#### A. HOW THIS COVERAGE APPLIES

This workers' compensation coverage applies to bodily injury by accident or bodily injury by disease, including resulting death, subject to the following conditions:

- 1. Bodily injury by accident must occur during the coverage period.
- 2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. Your employee's exposure to those conditions causing or aggravating such bodily injury by disease must occur during the coverage period.

#### B. WE WILL PAY

We will pay promptly when due to those eligible under this agreement the benefits required of you by the workers' compensation law, in excess of the Member Retention specified in Item 3 of the Schedule and subject to the limit specified in Item 5 of the Schedule. As respects the United States and Longshore and Harbor Workers Compensation Act (33 USC Sections 901-950), coverage for loss shall be limited, by amount and time of payment, to the benefits which would be available under the Workers' Compensation Act of the state where the injured employee is normally employed, if that law applied.

#### C. RIGHT TO ASSOCIATE IN DEFENSE

We have no duty to investigate, handle, settle or defend any claims, suits or proceedings against you. We have the discretionary right—and shall be given the opportunity by you—to associate with you in the defense, investigation or settlement of any claim, suit or proceeding that appears to involve indemnity by NCCSIF. In such association, you and NCCSIF shall cooperate in all aspects of defense, investigation, or settlement.

#### D. WE WILL ALSO PAY

Subject to the Member Retention specified in Item 4 and limit specified in Item 6 of the Schedule, we will also pay these costs, in addition to other amounts payable under this coverage as part of any claim, proceeding or suit we defend:

- 1. Reasonable expenses incurred at our request, but not loss of earnings
- 2. Premiums for bonds to release attachments and for appeal bonds in bond amounts up to twice the amount payable under this coverage
- 3. Litigation costs taxed against you
- 4. Interest on an award or judgment as required by law
- 5. Expenses we incur

#### E. OTHER INSURANCE

We will not pay more than our share of benefits and costs covered by this agreement and other insurance or self-insurance. All shares will be equal until the loss is paid.

#### F. LIMIT OF LIABILITY

Our liability to pay for damages is limited. Our limit of liability is shown in Item 6 of the Schedule of Declarations. It is the most we will pay for all damages covered by this coverage because of bodily injury to one or more employees in any one accident or occurrence, or series of accidents or occurrences, arising out of any one event. We will not pay any claims for damages after we have paid the limit of our liability under this coverage as explained above.

#### G. PAYMENTS YOU MUST MAKE

You are responsible for any payments of benefits required under the Workers' Compensation Law within the retention and those payments in excess of the benefits regularly provided by the workers' compensation law including, but not limited to, those required because:

- 1. of your serious and willful misconduct;
- 2. you knowingly employ an employee in violation of law;
- 3. you fail to comply with a health or safety law or regulation;
- 4. you discharge, coerce or otherwise discriminate against any employee in violation of the law:
- 5. of injury to an employee under the minimum age specified in the workers' compensation law and illegally employed at the time of injury;
- 6. of your obligation to pay salary in lieu of temporary disability benefits as required under Labor Code Section 4850, including to the extent you would be responsible for temporary disability benefits if Labor code Section 4850 did not apply;
- 7. of your obligations pursuant to Labor Code Section 4856;
- 8. of your obligations arising out of operations for which you have rejected any Workers' Compensation Law; or
- 9. of your obligations for discrimination against any employee for the filing of a claim for Workers' Compensation coverage, or for discrimination of an employee that has agreed to testify in another employee's workers' compensation claim.

#### H. RECOVERY FROM OTHERS

We may enforce your rights, and the rights of persons entitled to the benefits of this coverage, to recover our payments from anyone liable for the injury. You will do everything necessary to protect those rights for us and to help us enforce them.

#### I. STATUTORY PROVISIONS

These statements apply where they are required by law:

- 1. As between an injured worker and us, we have notice of injury when you have notice.
- 2. We are directly and primarily liable to any person entitled to the benefits payable by this coverage, subject to the provisions, conditions and limitations of this agreement.
- 3. Jurisdiction over you is jurisdiction over us for purposes of the workers' compensation law. We are bound by decisions against you under that law, subject to the provisions of this agreement that are not in conflict with that law.
- 4. Terms of this coverage that conflict with the workers' compensation insurance law are changed by this statement to conform to that law.
- 5. Your employee has a first lien upon any amount that becomes owing to you by us because of this agreement and in the case of your legal incapacity or inability to receive the money and pay it to the claimant; we will pay it directly to the claimant.

Nothing in these paragraphs relieves you of your duties under this agreement.

#### <u>PART TWO — EMPLOYER'S LIABILITY COVERAGE</u>

#### A. HOW THIS COVERAGE APPLIES

This employer's liability coverage applies to bodily injury by accident or bodily injury by disease, including resulting death, subject to the following conditions:

- 1. The bodily injury must arise out of and in the course of the injured employee's employment by you.
- 2. The employment must be necessary or incidental to your work in the State of California.
- 3. Bodily injury by accident must occur during the coverage period.
- 4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of exposure to the conditions causing or aggravating such bodily injury by disease OR the date upon which the employee first suffered disability and either knew, or in the exercise of reasonable diligence should have known, that such disability was caused by his or her employment which ever comes first and must occur during the coverage period.
- 5. If you are sued, the suit and any related legal actions for damages for bodily injury by accident or by disease must be brought under the laws of the State of California.

#### B. WE WILL PAY

We will pay all sums over the amount stated as the Members' Retained Limit in Item 3 of the Schedule you legally must pay as damages because of bodily injury to your employees eligible for benefits under this agreement, provided the bodily injury is covered by this employer's liability coverage and subject to the limit specified in Item 6 of the Schedule.

The damages we will pay over the amount stated as the Members' Retained Limit in Item 3 of the Schedule, where recovery is permitted by law, include damages:

- 1. for which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against such third party as a result of injury to your employee;
- 2. for care and loss of services; and
- 3. for consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee;

provided that these damages are the direct consequence or bodily injury that arises out of and in the course of the injured employee's employment by you, and

4. because of bodily injury to your employee that arises out of and in the course of employment claimed against you in a capacity other than as employer.

#### C. EXCLUSIONS

This agreement does not cover:

- 1. liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner;
- 2. punitive or exemplary damages where coverage for such liability is prohibited by law or contrary to public policy;
- 3. bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers;
- 4. any obligation imposed by a workers' compensation, occupational disease, unemployment compensation or disability benefits law, or any similar law;
- 5. bodily injury intentionally caused or aggravated by you;

- 6. damages arising out of the discharge of, coercion, criticism, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination against, or termination of any employee, or any personnel practices, policies, acts or omissions;
- 7. damages for discrimination against any employee for the filing of a claim or for discrimination of an employee that has agreed to testify in another employee's workers' compensation claim.

#### D. RIGHT TO ASSOCIATE IN DEFENSE

We have no duty to investigate, handle, settle or defend any claims, suits or proceedings against you.

We have the discretionary right—and shall be given the opportunity by you—to associate with you in the defenses, investigation, or settlement of any claim, suit or proceeding which appears to involve indemnity by NCCSIF. In such association, you and NCCSIF shall cooperate in all aspects of defense, investigation or settlement.

#### E. WE WILL ALSO PAY

Subject to the Member Retention specified in Item 3 of the Schedule and subject to the limit specified in Item 6 of the Schedule, we will also pay these costs, in addition to other amounts payable under this coverage, as part of any claim, proceeding or suit we defend;

- 1. reasonable expenses incurred at our request, but not loss of earnings;
- 2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to twice the limit of our liability under this coverage;
- 3. litigation costs taxed against you;
- 4. interest on a judgment as required by law; and
- 5. expenses we incur.

#### F. OTHER INSURANCE

We will not pay more than our share of damages and costs covered by this coverage and any other insurance, self-insurance or any other employers' liability by a Joint Powers Authority. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self insurance will be equal until the loss is paid.

#### G. LIMIT OF LIABILITY

Our liability to pay for damages is limited. Our limit of liability is shown in Item 6 of the Schedule of Declarations. It is the most we will pay for all damages covered by this coverage because of bodily injury to one or more employees in any one accident or occurrence, or series of accidents or occurrences, arising out of any one event.

We will not pay any claims for damages after we have paid the limit of our liability under this coverage as explained above.

#### H. RECOVERY FROM OTHERS

We may enforce your rights to recover our payment from anyone liable for an injury covered by this coverage. You will do everything necessary to protect those rights for us and to help us enforce them.

#### I. ACTIONS AGAINST US

There will be no right of action against us under this coverage unless;

- 1. you have complied with all the terms of this agreement; and
- 2. the amount you owe has been determined with our consent or by actual trial and final judgment.

This coverage does not give anyone the right to add us as a defendant in an action against you to determine your liability.

#### <u>PART THREE</u> — <u>COVERAGE OUTSIDE OF CALIFORNIA</u>

This coverage is identical to Part One (Workers' Compensation Coverage) of this agreement. It applies to your employees who are hired in California and are eligible for benefits under this agreement while they are working anywhere outside of California.

#### PART FOUR — YOUR DUTIES IF INJURY OCCURS

Tell us at once if injury occurs which may be covered by this agreement. Your other duties are listed here:

1. Provide for immediate medical and other services required by the workers' compensation law.

Effective July 1, 2019

- 2. Give us or our representative the names and addresses of the injured persons and of witnesses, and other information we may need.
- 3. Promptly give us all notices, demands and legal papers related to the injury, claim, proceeding or suit.
- 4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.
- 5. Do nothing after an injury occurs that would interfere with our right to recover from others.
- 6. Do not voluntarily make payments, assume obligations or incur expenses within our layer of coverage, except at your own cost.

#### PART FIVE — PREMIUM

#### A. PREMIUM

- 1. All premiums for this agreement will be determined by the Northern California Cities Self Insurance Fund.
- 2. Remuneration is part of the premium basis. This premium basis includes payroll and all other remuneration paid or payable during the coverage period for the services of:
  - a. all your employees eligible for benefits under this agreement while engaged in work covered by this agreement; and
  - b. all other persons engaged in work that could make us liable under Part One (Worker's Compensation Coverage) of this agreement. If you do not have the payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph will not apply if you give us proof that the employers of these persons lawfully secured their workers' compensation obligations.

#### **B.** PREMIUM PAYMENTS

You will pay all premium when due.

#### C. FINAL PREMIUM

The premium shown on the Declarations and on the schedules and endorsements, if any, is an estimate. The final premium will be determined after this agreement ends by using the actual, not

Effective July 1, 2019

the estimated, premium basis and actual losses. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the minimum premium for this agreement as determined by the various layer funding formulas.

#### D. RECORDS

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

#### E. AUDIT

You will let us examine and audit all your records that relate to this agreement. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records and programs for storing and retrieving data. We may conduct the audits during regular business hours during the coverage period and within three years after the coverage period ends. Information developed by audit will be used to determine final premium.

#### F. RATE CHANGES

This agreement is issued by us and accepted by you with the agreement that you will accept any increase in premium or in the rates of premium which may be promulgated under any rating plan approved by the Northern California Cities Self Insurance Fund, and that the effective date of any such increase shall be the effective date thereof fixed in accordance with the provisions of any such rating plan approved by the Executive Committee. Also the rates used to determine the premium are subject to increase during the term of the agreement if an increase in rates applicable to agreements in force is approved by the Executive Committee of Northern California Cities Self Insurance Fund, and that the effective date of any such increase shall be the date fixed by the Executive Committee.

#### PART SIX — CONDITIONS

#### A. INSPECTION

We have the right, but are not obliged, to inspect your workplaces at any reasonable time. Our inspections relate to the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help to reduce losses, we do not undertake to perform the duty of any person to provide for the health and safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws regulations, codes or standards.

#### B. LONG TERM POLICY

If this policy is written for a period longer than one year, all the provisions of this agreement shall apply separately to each consecutive twelve month period, or if the first or last period is less than twelve months, in the same manner as if a separate agreement had been written for each consecutive period. Until your policy terminates, your deposit premium will be transferred to each consecutive coverage period to act as a deposit in the same manner as if a separate agreement had been written.

#### C. TRANSFER OF YOUR RIGHTS AND DUTIES

Your rights or duties under this agreement may not be transferred without our written consent.

#### D. OUR NOTICE TO YOU

Mailing documents that relate to this agreement to you at the mailing address shown in the Declarations will be sufficient to prove notice to you of that document.

#### E. CANCELLATION AND WITHDRAWAL

You may withdraw as a party to this agreement and as a participant in the coverage provided you meet the requirements, as specified in the Joint Exercise of Power Agreement, Bylaws and Participation Agreement.

If cancellation by Northern California Cities Self Insurance Fund or you is effective before the end of the coverage year, Northern California Cities Self Insurance Fund will return to you the amount of any unearned premium payment from you for the coverage year. Such amount will be computed on a pro-rata basis from the effective date of cancellation.

#### F. ARBITRATION OF COVERAGE DISPUTES

#### 1. Coverage Determinations

The Third Party Administrator or JPA Counsel shall make the initial determination whether to deny coverage on all or part of a claim, or to reserve the Northern California Cities Self Insurance Fund's right to deny coverage on all or part of a claim, if a loss subsequently exceeds the retained limit.

A decision to deny coverage can be appealed to the Board of Directors. Notice of such appeal shall be submitted in writing within thirty (30) calendar days of the date of written notice of decision.

The appeal shall be considered by the Board of Directors at the next regular or special meeting following receipt of the written appeal; if the appeal is received too late for inclusion in the agenda packet, it can be postponed to the next following Board meeting. The Program Administrator and the covered party will have the right to submit written materials and present oral argument to the Board, subject to reasonable time constraints. Any dispute concerning a decision by the Board to deny coverage for all or part of a claim shall not be subject to any court action, but may instead be submitted to binding arbitration in accordance with the procedures set forth below. Notice of a request for binding arbitration by the covered party must be submitted within thirty (30) calendars days from the date of the noticed decision by the Board of Directors.

#### (a) Arbitration Procedures for Resolving Disputes

#### 1) Selection of Arbitrators

If an appeal of a Board decision is submitted to arbitration, each side shall, within ten (10) calendar days, select one (1) arbitrator and submit his or her name in writing to the other side. Within ten (10) calendar days after their selection, these two arbitrators shall select a third independent arbitrator. If the two sides cannot agree on the selection of the third arbitrator within ten (10) calendar days, either side may petition the Sacramento County Superior Court for the appointment of the third arbitrator pursuant to the provisions of section 1281.6 of the California Code of Civil Procedure. The third arbitrator shall be an attorney and preside as the Chairperson of the arbitration panel. No arbitrator shall be employed or affiliated with you or NCCSIF.

The arbitration hearing shall commence within forty-five (45) calendar days from the date of the selection of the Chairperson, unless both sides agree to an extension.

Each side shall pay the cost of its selected arbitrator and one-half of the cost of the third selected arbitrator. In addition, each side shall be responsible for its own cost and expense of arbitration.

Except for notification of appointment and as provided in the California Code of Civil Procedure, there shall be no communication between either side and the arbitrator(s) relating to the subject of the arbitration other than at oral hearings.

#### 2) Discovery

The procedures set forth in Code of Civil Procedure section 1283.05 relating to depositions and discovery shall apply to any arbitration pursuant to this paragraph (b).

#### 3) Testimony Under Oath

The testimony of witnesses shall be given under oath.

#### 4) Length of Hearing

The panel will endeavor to confine the length of the hearing to two (2) days. A decision of the panel shall be reported in writing. The written decision of the panel shall be given to both sides within thirty (30) calendar days of the close of the hearing.

#### 5) Certified Shorthand Reporter

Either side wishing a certified shorthand reporter record shall arrange directly with a certified shorthand reporter and notify the other side of such arrangements in advance of the hearing. The requesting side shall pay the cost of recording the hearing if no transcript is ordered. If a transcript is ordered, the cost of the transcript and of recording the hearing shall be prorated equally among the parties ordering copies.

#### (b) Funding of Defense and Payment of Claims Pending Resolution of Dispute

During the course of the arbitration proceedings provided herein, the *covered party* will be responsible for all fees and expenses for investigation, defense or litigation of a claim or lawsuit. In the event the arbitration panel determines that coverage applies for such *defense costs*, the *Authority* will reimburse the *covered party* as directed by the panel.

#### (c) Effects of Arbitration Decisions

All decisions on appeals, whether by the Board of Directors (after the time to request arbitration has expired) or by the arbitration panel, shall be final and binding upon the parties and shall not be subject to any further appeal or court action, except as provided in Code of Civil Procedures sections 1286.2 and 1286.4 (relating to fraud or corruption, etc.).

#### (d) General Law

Except as provided otherwise above, arbitration shall be conducted as provided in Title 9 of the Code of Civil Procedure (commencing with section 1280).

WHEREAS, Assembly Bill 1749 ("AB 1749") was proposed during the 2018/2019 California legislative session as a response to the denial of workers' compensation claims that were filed by California peace officers who were injured during the Las Vegas Route 91 Harvest Festival shooting, and was signed into law effective January 1, 2019; and

WHEREAS, California Labor Code Section 3600.2(b), created by AB 1749, provides that the County may decide whether to accept a workers' compensation claim filed by a peace officer who, while out-of-state, is injured while engaging in the apprehension or attempted apprehension of law violators or suspected law violators, or protection or preservation of life or property, or the preservation of the peace; and

WHEREAS, the County desires to expand workers' compensation coverage as permitted by AB 1749.

Total Insurable Values (**TIV**) **increased 28%**, from \$1,204,173,435 to \$1,541,853,618, due to new property appraisals and various changes throughout the year. The All Risk\* property **rate increased 58%** from the prior year, from \$0.071 to \$0.112 per \$100 of TIV. These changes result in a **total premium increase of 32.14%**, from \$877,725 to \$1,765,907.

The attached Executive Summary outlines the factors for the current "hard" market and the proposed changes to the coverage for 19/20. Most of the changes are clarifications though the available limit for Tax Interruption is decreasing.

Given the expected increase in rates, the Program Administrators requested options for increasing the \$5,000 deductible to \$10,000 or \$25,000. The totals for each are listed below, along with an analysis of the premium savings compared to the net savings after payment of the expected additional deductibles, based on a five-year average. While the pool overall would see a reduction the net savings to the members may not be worth the risk.

# ALLIANT PROPERTY INSURANCE PROGRAM (APIP) July 1, 2019 – July 1, 2020 EXECUTIVE SUMMARY

Attached please find the renewal summary of the Alliant Property Insurance Program (APIP) for the 2019-2020 period. An overview of the most significant issues concerning this years' renewal are discussed here.

Between 2012 and 2017, the property insurance market was in a relatively "soft" cycle with record amounts of capacity entering the market in search of financial return. While members with significant or attritional losses saw increases in an effort to better match premium to losses, there was not a widespread trend in the market to push rate increases on the whole. Rate changes, up or down, were selectively made based on the characteristics of the risk. Late In 2017, the market started to firm due to an increase in catastrophe losses primarily originating from Hurricanes Harvey, Irma and Maria (HIM). Most every insured experienced rate increases in 2018, and now moving into 2019, coupled with the real wildfire risk that has become apparent, the aforementioned catastrophes have effectively changed the market with carriers now pushing meaningful rate increases across the board, and significantly for insureds that have had losses, or appear to be in a position to have such losses. This correction, while unwelcome, is somewhat predictable as on the whole the commercial insurance industry has not been profitable in any of the last three years. Exacerbating the trend, two of the largest writers of commercial property, AIG and FM Global are re-underwriting their entire books of business with a keen eye towards shedding risk. Few underwriters are aggressively pursuing new business in the current environment. Consequently, for the 2019-2020 renewal period, insureds will see rate increases over expiring. For those insureds that have either experienced significant shock losses, or persistent attritional loss activity, rates will increase significantly higher than average in a so called "right sizing" of premium to risk. In keeping with the programs' general history however, we still expect overall rates, in most cases, to remain below that which can be achieved in the open market for similar coverage.

A combination of Lexington, Lloyd's and U.S. domestic underwriters will continue to provide coverage for the first \$25,000,000 of the program. Excess limits up to \$1,000,000,000 will be placed with London, Bermudian, European, and U.S domestic markets, all A.M. Best Rated of at least A- VII. Members should note several key highlights for this year's renewal:

- Boiler & Machinery cover for participating members of the APIP Boiler Program will be maintained with Hartford Steam Boiler (HSB), who will also continue to perform required jurisdictional inspections.
- Cyber (Privacy Liability) Coverage for both 1st and 3rd parties from the Beazley Syndicate at Lloyd's, A.M. Best Rated A XV, (for those eligible insureds) with coverage as outlined on the following proposal will be maintained. Additional excess options are available, if requested.
   Please note claims reporting timeframe limitations for this coverage
- Pollution Coverage for both 1<sup>st</sup> and 3<sup>rd</sup> parties from Illinois Union Insurance Company, A.M. Best Rated A++ XV, (for those eligible insureds) with coverage as outlined on the following proposal will be maintained. Please note claims reporting timeframe limitations for this coverage
- Vehicles/Contractor's Equipment please note on the attached proposal whether the vehicle/contractors equipment valuation is Replacement Cost (new) or Actual Cash Value (ACV). If Replacement Cost (new) valuation is needed, the member must submit a schedule of vehicles or a vehicle valuation reporting form (provided in the pre-renewal packet) and vehicles must be valued at today's Replacement Cost (new). If values are not reported at Replacement Cost (new), the vehicle/contractor's equipment valuation basis will be ACV

Alliant Business Services (ABS) continues to play a significant role not only in providing various types of loss control services, but also in providing appraisal services. For the program, property valuations continue to be a key focus. As a reminder, it is underwriters' intent to have all buildings with a scheduled value of \$5,000,000 or more appraised once every five to seven years. This service is included in the total program cost. Insureds may also choose to have lower valued buildings appraised. The cost to have all, or specific buildings appraised that are valued on a members schedule between \$25,000 and \$5,000,000 will be quoted at the time the request is made.

Please review important Disclosure and Loss Notification information included in your renewal materials. Your review and acknowledgement of these documents are required via your signature once you authorize a request to bind coverage with your Alliant representative.

Any coverage you purchase for "acts of terrorism" shall expire at 12:00 midnight December 31, 2020, the date on which the TRIA Program is scheduled to terminate, or the expiry date of the policy whichever occurs first, and shall not cover any losses or events which arise after the earlier of these dates.

YOU SHOULD KNOW THAT COVERAGE PROVIDED BY THIS POLICY FOR LOSSES CAUSED BY CERTIFIED ACTS OF TERRORISM IS PARTIALLY REIMBURSED BY THE UNITED STATES UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED USD100 BILLION, YOUR COVERAGE MAY BE REDUCED.

Agenda Item I.2.b.

#### TIME ELEMENT COVERAGE SPECIAL NOTICE

#### **INFORMATION ITEM**

**ISSUE:** Board Members were emailed a Special Notice Regarding Time Element Coverages as a way to highlight the need to review the exposure and values reported to the property insurer. The email and notice is included as an attachment to this item for discussion purposes.

Members are encouraged to review their Statement of Values for their own covered property and limits as well as consider lost tax revenue or business income from damage to "contributing property" that generates significant tax or other revenues such as auto malls, major hotels, or major customers for utility services.

**RECOMMENDATION:** Information only - please review your operations and insured values with these exposures and coverages in mind.

FISCAL IMPACT: None.

**BACKGROUND:** The Alliant Property Insurance Program (APIP) has a broad coverage form that includes the unique and exclusive coverage for Tax Interruption. In addition, the limits available for the more standard Business and Rental Interruption coverages are greater than typically offered by stand-alone policies. With an increase in large scale property losses the potential for larger time element claims is also increasing, and limits that were adequate for most past losses may not be for future losses. Alliant is encouraging its clients to review their exposures and the coverages available to make sure they are adequate.

Attachments: Time Element Coverage Special Notice Communication.docx

Greetings NCCSIF Board Members – sending this to ALL members, not just those in the NCCSIF property program, as the exposure and recommendations apply to all.

Alliant is sending the attached notice to remind Alliant Property Insurance Program (APIP) members to review their operations and Total Insured Values to determine if the limits for various Time Element coverages are sufficient. These coverages — Business, Rental and Tax Interruption — can be overlooked in focusing just on the insured property and contents and not the loss of income that results from the property being out of service for some time.

This is especially important in this current environment where we are seeing more large-scale claims that are impacting broader areas of our members' jurisdictions, resulting in longer periods of recovery and impacts to "contingent" locations that provide tax revenue or receive or supply goods and services from the city. Consider your sources of revenue and potential for loss if a major business or customer was to suffer a property damage claim and not generate revenue or purchase goods or services for an extended period of time.

We have and will continue to discuss these issues at Board meetings and in individual discussions with NCCSIF members. And please contact me or any other member of the NCCSIF service team if you have any questions or would like a review of your coverage.

Regards,

#### Marcus Beverly

#### SPECIAL NOTICE TO APIP CLIENTS

#### Are You Covered: Business Interruption, Rental Value & Tax Revenue Interruption

It's important for APIP members to understand and review their exposures to loss beyond replacement or repair costs caused by direct physical loss or damage to covered property. This includes loss of earnings, rental value, and/or tax revenue incurred while the property is being repaired or replaced (the *period of restoration*), and for up to 180 days after completion if required to restore the <u>insured's business</u> to pre-loss conditions (the *extended period of indemnity*).

Business Interruption (BI) coverage provides financial protection for the loss of revenue resulting directly from the physical damage of an insured property. In addition to the more traditional BI exposures, cities, counties, special districts and other public agencies may have enterprise funds and operational activities that generate revenue. These can include park & recreation activities, water/wastewater, utilities, and commercial/habitational rents. Public entities may also benefit from a *unique* APIP coverage for Tax Interruption.

The following are defined types of coverage available in the APIP policy form:

**<u>Business Interruption (BI)</u>** covers loss of gross earnings *less* expenses that do not continue during the period of restoration due to a covered physical loss at the insured's premises. Coverage for power generation plants is excluded, unless otherwise specified.

**Rental Income (RI)** covers lost rental income, the fair rental value of occupied property, or payment obligations under revenue bonds or certificates of participation where one needs proof of coverage. (Note, although traditional "Loss of Rent" is part of this coverage; Public Entities may use this coverage feature for Revenue Bonds/Certificates of Participation when required by bond underwriters and lenders).

<u>Tuition Income (TI)</u> for universities, hospitals or other institutions of learning covers the amount of tuition income and related fees which are prevented from being earned or received along with other income derived from routine and special services, research grants and income under research contracts all dependent on continued operations.

<u>Contingent Business Interruption (CBI)</u> covers losses resulting from direct physical loss to property not otherwise excluded at direct supplier or customer locations that prevents the supply of goods and/or services to your entity or that prevents customer acceptance of goods and/or services from your entity. This includes Business Interruption, Rental Income and Extra Expense but not Tax Interruption. It is "contingent" because the damage causing loss is *not* to an owned location.

Tax Revenue Interruption (TI) is also a "contingent" coverage for your agency's revenue that is dependent on businesses/operations that generate sales taxes, transient occupancy taxes (TOT), and/or property taxes. If your entity depends heavily on tax revenue from a major business or businesses, consider whether you would like to cover this business continuity exposure by scheduling the tax revenue associated with those properties on your Statement of Values with an appropriate limit. Separate limitations apply to each category of these coverages

These time element coverages should be considered to determine the extent of the exposure to your agency. Please contact your broker to review and discussion of the potential losses beyond repair/replacement costs that can incur from direct physical damage to covered property.

FISCAL IMPACT: None.

**BACKGROUND:** Given the importance of responding quickly to property claims, and the threat of reduced or denied coverage for late reporting of claims, Alliant has requested that all APIP members understand and acknowledge the claim reporting requirements. Members can sign and return this document at the meeting, or respond to an email that will be sent later in June to those that have not signed.

#### APIP BREACH RESPONSE ENDORSEMENT OPTION

#### **ACTION ITEM**

**ISSUE:** Options for excess Cyber coverage have changed for this renewal, with the introduction of the Breach Response Endorsement Option. This Option allows members to increase the coverage and services provided by the APIP program from the insurer, Beazley Breach Solutions. The attached summary of the Option includes a description of the enhancements available, including increased limits, lower deductibles, and post-breach remedial services.

The options are available for NCCSIF members as a group or on a stand-alone basis.

#### **OPTIONS**

- 1. Maintain standard cyber coverage and limits provided by the APIP policy.
- 2. Request a quote for or decline the endorsement option for the JPA.
- 3. Members individually may request a quote for the endorsement please express interest at the meeting or contact any member of the Administrator team.

**RECOMMENDATION:** Consider request for quote and authorize President to request or decline a proposal for the Beazley Breach Response Endorsement by signing the attached form.

FISCAL IMPACT: To be determined

**BACKGROUND:** The JPA's property policy through APIP includes Cyber Liability coverage. Each member of the JPA has its own \$2 million Cyber Liability annual aggregate limit with sublimit of \$1 million for Privacy Notification costs. The Privacy Notification costs erode the annual aggregate. *The Cyber Liability program as a whole has a \$25 million annual aggregate for all insureds or members in the program combined.* 

With the increase in cyber-attacks, the Breach Response Endorsement is available and can be purchased at any time throughout the policy period. This replaces the two separate options previously offered to provide dedicated limits for individual members and aggregate limits for the JPA.

# APIP Breach Response Endorsement Option

Dear valued APIP client:

Beazley Group - Lloyd's of London Syndicate 2623 and 623 (Beazley) has been a trusted partner to the APIP program over 10 years, providing cyber coverage to Insureds at a nominal cost.

In the last few years there has been a noted increase in the number of cyber attacks. Due to the current cyber climate, Alliant believes it is important to review the limits and coverages available to our insureds and to provide additional options and services.

Alliant and Beazley working together have created an option to augment your current cyber coverage Beazley's Breach Response endorsement. Even if you believe the current cyber limits available through APIP are sufficient, it may be worth investing time to have your Alliant broker discuss the benefits of enhanced coverage. Organizations with the most robust cyber security protection are still susceptible to human error, a third party mishandling your information, or a rogue employee.

Currently, APIP insureds have \$2 million in cyber limits which includes services related to a data breach with a sub-limit up to \$1 million for Privacy Notification Costs. More information on the option to enhance your coverage via the Breach Response endorsement is described below:

#### **APIP – Beazley Breach Response Endorsement Option**

- Separating privacy notifications from the dollar limit and specifying the number of covered notifications so that notifications do not erode the APIP cyber limit
  - Privacy Notification Costs include notifying individuals affected, credit monitoring and call center services
- Standalone limit for legal, forensics, crisis management or public relations firms which do not erode the APIP cyber limit
- Increase of Breach Response Costs limit to \$2 million (coverage under APIP cyber is \$1 million)
- Lower deductibles for privacy notification services and legal, forensics, crisis management and public relations coverage
- Hands-on pre and post loss consultation from an expert team of cyber risk professionals
- Extensive risk management resources available for your organizations' stakeholders (Legal, IT, Risk, Compliance, etc.)
- Post Breach Remedial Services 100 hours provided by Lodestone Security
- Short form application required for new Members. Statement of fact required for Members with an existing Breach Response endorsement

**APIP policy excess limits note:** Quotes for policy excess limits are not included in the above, and can be obtained upon request. Further information may not be required depending on insurance carrier. If needed, it will be the same information as requested for the Breach Response endorsement.

- Provides dedicated, excess limits above the APIP cyber program
- Provides dedicated, excess limits above the increased Breach Response Costs limit of \$2 million
  - Coverage is within the policy limit
- Provides dedicated, excess sublimits above privacy notification costs
  - o Options available for coverage within the policy limit or outside the policy limit

A Breach Response endorsement indication can be provided in 5-7 business days. Contact your Alliant broker or Account Representative for more information by returning the attached document. Thank you.

Agenda Item I.2.e.

#### ALLIANT DEADLY WEAPON RESPONSE PROGRAM

#### **ACTION ITEM**

**ISSUE:** For FY 18/19 NCCSIF members purchased a new stand-alone option for Deadly Response Coverage offered to members of APIP. The coverage provides a \$500,000 per claim limit with a \$2,500,000 policy aggregate (and sub-limits for property damage and business interruption, crisis management services, funeral services and counseling services, per the attached summary). *The event must occur at a location on a member's APIP Schedule of Values*.

The coverage is primary for property and business interruption, coverages also provided by APIP, and adds coverage to include the crisis management, counseling and funeral services for events happening on insured property.

**RECOMMENDATION:** Review and discuss option and decide on participation.

**FISCAL IMPACT:** NCCSIF's FY 18/19 premium is \$8,737.94. Premium for FY 19/20 is \$11,491.32.

**BACKGROUND:** This type of insurance, often labeled "Active Shooter" Coverage, is now being offered by a number of insurance companies, and NCCSIF Property Program members purchased the coverage for FY 18/19.

NCCSIF members have also opted to provide themselves a specific type of this coverage tailored to their unique responsibilities in responding to these events. Members added a Violent Event Coverage endorsement to the Liability Program MOC, using a similar "trigger" for coverage, and it is not limited to an event at an insured location. The coverage only requires that a Violent Event occurred requiring emergency response, though it is limited to a Member's Banking Layer.

Compensation will be paid to the producer, based on the insurance contract the producer sells. Depending on the insurer(s) and insurance contract(s) the purchaser selects, compensation will be paid by the insurer(s) selling the insurance contract or by another third party. Such compensation may vary depending on a number of factors, including the insurance contract(s) and the insurer(s) the purchaser selects. In some cases, other factors such as the volume of business a producer provides to an insurer or the profitability of insurance contracts a producer provides to an insurer also may affect compensation.

The insurance purchaser may obtain information about compensation expected to be received by the producer based in whole or in part on the sale of insurance to the purchaser, and (if applicable) compensation expected to be received based in whole or in part on any alternative quotes presented to the purchaser by the producer, by requesting such information from the producer.

#### Changes and Developments

It is important that we be advised of any changes in your operations, which may have a bearing on the validity and/or adequacy of your insurance. The types of changes that concern us include, but are not limited to, those listed below:

- Changes in any operations such as expansion to another states, new products, or new applications of existing products.
- Travel to any state not previously disclosed.
- Mergers and/or acquisition of new companies and any change in business ownership, including percentages.
- Any newly assumed contractual liability, granting of indemnities or hold harmless agreements.
- Any changes in existing premises including vacancy, whether temporary or permanent, alterations, demolition, etc. Also, any new premises either purchased, constructed or occupied
- Circumstances which may require an increased liability insurance limit.
- Any changes in fire or theft protection such as the installation of or disconnection of sprinkler systems, burglar alarms, etc. This includes any alterations to the system.
- Immediate notification of any changes to a scheduled of equipment, property, vehicles, electronic data processing, etc.
- Property of yours that is in transit, unless previously discussed and/or currently insured.

#### Certificates / Evidence of Insurance

- A certificate is issued as a matter of information only and confers no rights upon the certificate holder. The certificate does not affirmatively or negatively amend, extend or alter the coverage afforded by a policy. Nor does it constitute a contract between the issuing insurer(s), authorized representative, producer or certificate holder.
- You may have signed contracts, leases or other agreements requiring you to provide this evidence. In those agreements, you may assume obligations and/or liability for others (Indemnification, Hold Harmless) and some of the obligations that are not covered by insurance. We recommend that you and your legal counsel review these documents.

In addition to providing a certificate of insurance, you may be required to name your client or customer on your policy as an additional insured. This is only possible with permission of the insurance company, added by endorsement and, in some cases, an additional premium.

By naming the certificate holder as additional insured, there are consequences to your risks and insurance policy including:

- Your policy limits are now shared with other entities; their claims involvement may reduce or exhaust your aggregate limit.
- Your policy may provide higher limits than required by contract; your full limits can be exposed to the additional insured.
- There may be conflicts in defense when your insurer has to defend both you and the additional insured.

#### Other Disclosures / Disclaimers - Continued

#### Commercial Property Coverage

\*Property Co-insurance: Most property insurance policies contain a co-insurance clause. In exchange for a reduced rate, the insured agrees to carry at least the stated percentage of insurance to the total insurable value of the property. If, at the time of loss, the amount of insurance carried is less than this percentage, the loss payment will be reduced proportionately.

### LUNCHTIME PRESENTATION POLLUTION INSURANCE OVERVIEW

#### **INFORMATION ITEM**

**ISSUE:** The pollution coverage provided by the APIP program is changing for FY 19/20. This is an important coverage that requires a review of member operations and assessment of the exposure to determine if broader coverage or higher limits should be obtained.

The Board will receive an overview of the APIP coverage as well as other options available through CSAC-EIA and private insurers that may be needed to cover a particular member's exposures.

**RECOMMENDATION:** Information Only. Review options and contact a member of the Program Administration team if you have questions, need coverage or need more information.

FISCAL IMPACT: None.

**BACKGROUND:** The APIP program has provided a separate pollution policy covering events arising from insured property as part of the broad coverage available to members. This coverage is generally for sudden and accidental events arising from normal operations and does not provide coverage for closed landfills or certain other high-risk activities or exposures. Other options are available for those, including specialized coverage for Underground Storage Tanks.

#### FY 19/20 CRIME COVERAGE RENEWAL

#### **ACTION ITEM**

**ISSUE:** NCCSIF's Crime coverage program renews July 1, 2019. This program offers coverage for monetary loss due to Employee Dishonesty, including Faithful Performance and fraud exposures. The current coverage is placed through the Alliant Crime Insurance Program (APIP).

The current premium is \$51,449 for a \$3 million limit. The renewal premium with the same coverage is flat at \$51,449, but the total number of employees has increased from 1,516 to 2,635, with many members reporting volunteers, in addition to elected and appointed officials and part timers. The program is also adding one new member, Willows. Member premium changes will vary based on changes in their number of reported employees.

Options for a \$5 million and \$10 million limit will also be presented at the meeting.

#### **OPTIONS:**

- 1. Renew coverage as expiring with a \$3 million limit.
- 2. Renew coverage with limits of \$5 or \$10 million.
- 3. Direct the Program Administrators to take other action.

**RECOMMENDATION:** Renew ACIP coverage with at least a \$3 million limit.

**FISCAL IMPACT:** Annual Installment Premium of \$51,449 for \$3 million limit allocated to participating members based on number of employees.

**BACKGROUND:** The current NCCSIF Crime Policy is with the Alliant Crime Insurance Program (ACIP). The ACIP Crime Program is written with AIG and National Union though it provides numerous enhancements.

With each request, include complete financials and ownership information for submission to the carrier. It should be noted, that the underwriter's acceptance of any proposed amendments to the policy, including expansion of the scope of "Insureds" under the policy could result in a potential diminution of the applicable limits of liability and/or an additional premium charge.

Analyzing insurers' over-all performance and financial strength is a task that requires specialized skills and in-depth technical understanding of all aspects of insurance company finances and operations. Insurance brokerages such as Alliant Insurance typically rely upon rating agencies for this type of market analysis. Both A.M. Best and Standard and Poor's have been industry leaders in this area for many decades, utilizing a combination of quantitative and qualitative analysis of the information available in formulating their ratings.

A.M. Best has an extensive database of nearly 6,000 Life/Health, Property Casualty and International companies. You can visit them at <a href="https://www.ambest.com">www.ambest.com</a>. For additional information regarding insurer financial strength ratings visit Standard and Poor's website at <a href="https://www.standardandpoors.com">www.standardandpoors.com</a>.

Our goal is to procure insurance for you with underwriters possessing the financial strength to perform. Alliant does not, however, guarantee the solvency of any underwriters with which insurance or reinsurance is placed and maintains no responsibility for any loss or damage arising from the financial failure or insolvency of any insurer. We encourage you to review the publicly available information collected to enable you to make an informed decision to accept or reject a particular underwriter. ### **2019-2020 Alliant Crime Insurance Program Government Crime Insurance Proposal**

Northern California Cities Self Insurance Fund (NCCSIF)

#### NY Regulation 194

Alliant Insurance Services, Inc. is an insurance producer licensed by the State of New York. Insurance producers are authorized by their license to confer with insurance purchasers about the benefits, terms and conditions of insurance contracts; to offer advice concerning the substantive benefits of particular insurance contracts; to sell insurance; and to obtain insurance for purchasers. The role of the producer in any particular transaction typically involves one or more of these activities.

Compensation will be paid to the producer, based on the insurance contract the producer sells. Depending on the insurer(s) and insurance contract(s) the purchaser selects, compensation will be paid by the insurer(s) selling the insurance contract or by another third party. Such compensation may vary depending on a number of factors, including the insurance contract(s) and the insurer(s) the purchaser selects. In some cases, other factors such as the volume of business a producer provides to an insurer or the profitability of insurance contracts a producer provides to an insurer also may affect compensation.

The insurance purchaser may obtain information about compensation expected to be received by the producer based in whole or in part on the sale of insurance to the purchaser, and (if applicable) compensation expected to be received based in whole or in part on any alternative quotes presented to the purchaser by the producer, by requesting such information from the producer.

#### Other Disclosures / Disclaimers

#### FATCA:

The Foreign Account Tax Compliance Act (FATCA) requires the notification of certain financial accounts to the United States Internal Revenue Service. Alliant does not provide tax advice so please contact your tax consultant for your obligation regarding FATCA.

#### **Claims Reporting:**

Your policy will come with specific claim reporting requirements. Please make sure you understand these obligations. Contact your Alliant Service Team with any questions.

#### Certificates / Evidence of Insurance

A certificate is issued as a matter of information only and confers no rights upon the certificate holder. The certificate does not affirmatively or negatively amend, extend or alter the coverage afforded by a policy. Nor does it constitute a contract between the issuing insurer(s), authorized representative, producer or certificate holder.

You may have signed contracts, leases or other agreements requiring you to provide this evidence. In those agreements, you may assume obligations and/or liability for others (Indemnification, Hold Harmless) and some of the obligations that are not covered by insurance. We recommend that you and your legal counsel review these documents.

#### Other Disclosures / Disclaimers - Continued

In addition to providing a certificate of insurance, you may be required to name your client or customer on your policy as an additional insured. This is only possible with permission of the insurance company, added by endorsement and, in some cases, an additional premium.

By naming the certificate holder as additional insured, there are consequences to your risks and insurance policy including:

- Your policy limits are now shared with other entities; their claims involvement may reduce or exhaust your aggregate limit.
- Your policy may provide higher limits than required by contract; your full limits can be exposed to the additional insured.
- There may be conflicts in defense when your insurer has to defend both you and the additional insured.

See Request to Bind Coverage page for acknowledgment of all disclaimers and disclosures.

# ALLIANT CRIME INSURANCE PROGRAM (ACIP)

Protection from the constant threat

Crime is swift and unpredictable. It can strike at a moment's notice, creating staggering costs and long-term damage. It occurs in the light of day and the dark of night and, in its many manifestations, poses an insidious and constant threat to your organization. It doesn't have to.

# ALLIANT CRIME INSURANCE PROGRAM (ACIP)

Alliant Insurance Services created the Alliant Crime Insurance Program (ACIP) to protect public entities from the scourge of crime. The program offers broad coverage for illegal acts committed by employees while on the job, offering valuable peace of mind and an iron-clad layer of protection against crime-related damages.

#### SIZE AND STABILITY

ACIP is among the largest programs of its kind and is comprised of various public entities, including risk sharing pools, cities, special districts, schools, hospitals, and other public agencies. ACIP has a strong track record of results and a historically low loss ratio. This combination of size and stability empowers Alliant to offer competitive rates that are impervious to fluctuations in the general insurance market. Additionally, as a group purchase program, there is no risk sharing and, therefore, no possibility of assessments.

#### PROGRAM FEATURES

ACIP is a flexible insurance solution with a broad array of best-in-class features. It is customized to meet the wide-ranging needs of public entities, providing access to:

- Basic program limits starting at \$1 million with limits up to \$10 million available
- Deductibles starting at \$2,500

- Faithful performance of duty included up to the full employee theft limit purchased (up to \$10 million)
- Blanket coverage for the treasurer/tax collector and any employees required by statute to carry individual bonds
- Blanket coverage for volunteers
- Coverage for vendor theft and loss of third party property
- Impersonation fraud coverage

### Certificates / Evidence of Insurance

A certificate is issued as a matter of information only and confers no rights upon the certificate holder. The certificate does not affirmatively or negatively amend, extend or alter the coverage afforded by a policy. Nor does it constitute a contract between the issuing insurer(s), authorized representative, producer or certificate holder.

You may have signed contracts, leases or other agreements requiring you to provide this evidence. In those agreements, you may assume obligations and/or liability for others (Indemnification, Hold Harmless) and some of the obligations that are not covered by insurance. We recommend that you and your legal counsel review these documents.

In addition to providing a certificate of insurance, you may be required to name your client or customer on your policy as an additional insured. This is only possible with permission of the insurance company, added by endorsement and, in some cases, an additional premium.

By naming the certificate holder as additional insured, there are consequences to your risks and insurance policy including:

- Your policy limits are now shared with other entities; their claims involvement may reduce or exhaust your aggregate limit.
- Your policy may provide higher limits than required by contract; your full limits can be exposed to the additional insured.
- There may be conflicts in defense when your insurer has to defend both you and the additional insured.

Agenda Item I.6.

# FY 19/20 NCCSIF ADMINISTRATIVE AND GROUP PURCHASE PROGRAM BUDGET

#### **ACTION ITEM**

**ISSUE:** The Board annually reviews and approves the budget for the next fiscal year. Attached is the administration budget for review and approval. The Administrative Costs are discussed in more detail below. The budget to actual revenues and expenses provided by NCCSIF's accountant are used in creating the FY 19/20 budget.

### **Administrative Expenses**

- ➤ Claim Audits every year either the Liability or Workers' Compensation (WC) claims are audited. The WC Claims audit was budgeted in FY 18/19 at \$11,000 and was just recently completed in March 2019. A budgeted expense of \$8,500 is allocated for a Liability Claims audit in FY 19/20.
- ➤ The Financial Audit increased by 2% based on the current three-year contract.
- Actuarial Services are expected to increase 2.8%.
- Accounting Services are contracted to increase 3%.
- York's Risk Control services are the same as last year based on the current contract, and the rest of the risk control budget is expected to be flat as well.
- ➤ State Funding/Fraud Assessment has been estimated to increase by 25% from the actual *corrected* expense for FY 18/19, to essentially remain flat for next year.
- > Total Program Administration costs have increased 9.5% based on the fee schedules in the current program administration and accounting services agreements.

**RECOMMENDATION:** Approve the FY 19/20 NCCSIF Administrative budget as presented.

**FISCAL IMPACT:** Total administrative expenses are estimated to be \$1,312,988, an increase of \$13,398 (1%) over FY 18/19. Last year's increase was 7% largely due to the State Comp Assessment increase. A small amount of surplus offset may be available to reduce the funding, to be determined as we get closer to the fiscal year end.

**BACKGROUND:** None

Northern California Cities Self Insurance Fund Board of Directors Meeting June 13, 2019

Agenda Item I.7.a.

### ADOPTION OF FY 19/20 LIABILITY PROGRAM BUDGET

#### **ACTION ITEM**

**ISSUE:** At the last Board meeting members approved preliminary program calculations based on actuarial projections at the 80% Confidence Level (CL).

Total funding at an 80% Confidence Level (CL) is estimated at \$6,549,555, an increase of 11% over FY 18/19 funding at the 80% CL. Three members exceeded the 25% cap on annual increases, with the total of \$5,356 reallocated as indicated in the attached final funding allocation.

A breakdown of funding by layer and member is provided in the attached spreadsheet. Also attached is a year-to-year comparison of the changes in the components of the program funding, including payroll (5.5% increase), Banking Layer losses (2.3% decrease), and Shared Layer losses (3.3% increase). Member results and Ex Mod changes are also provided, along with changes in the base rate (2.3%) and excess insurance (24% increase) common to all members. The increase in the base rate was driven by a 7% increase in the Shared Layer rate.

**RECOMMENDATION:** Approve funding as presented at the 80% CL for FY 19/20.

**FISCAL IMPACT:** Total funding of \$6,549,555 for the Liability Program.

**BACKGROUND:** embers have steadily increased the Confidence Level of annual funding from 65% to 70%, 75%, to the current 80% CL. Over the same period the Discount Factor has decreased from 3% to 1.5%. Both of these changes have contributed to an increase in total funding, in addition to increases in payroll in prior years.

Northern California Cities Self Insurance Fund Board of Directors Meeting June 13, 2019

Agenda Item I.7.b.

# ADOPTION OF FY 19/20 WORKERS' COMPENSATION PROGRAM BUDGET

### **ACTION ITEM**

**ISSUE:** At the last Board meeting members approved preliminary program calculations based on actuarial projections at the 80% Confidence Level (CL).

Total funding at an 80% Confidence Level (CL) is estimated at \$12,583,151, an **increase of 3.1%** over current funding at the 80% CL. This compares favorably to the *total payroll increase of 5.3%*. The individual funding increase cap of 40% applies to Jackson, with a total of \$43,419 allocated to the remaining members. Other member changes vary from (-30%) to as much as a 31% increase. However, these two extremes are driven by 1) Willows outsourcing their police and, 2) Ione increasing payroll by 25%. The average funding change for the group is 3.1% with an average payroll change of 5.3%.

Excess coverage through CSAC-EIA is \$1,675,000, or \$0.72 per \$100 of payroll, a 2.9% increase in the current rate of \$0.70. Overall EIA rates are down, with the high safety group down 3.9% on average.

A breakdown of funding by layer and member is provided in the attached spreadsheet. Also attached is a year-to-year comparison of the changes in the components of total program and member funding, including payroll (3% increase), Banking Layer losses (5% increase), and Shared Layer losses (8% increase). Members' Ex Mod changes are also provided, along with changes in the base rate (-3%) and excess insurance (9% increase) common to all members. Also added are columns for comparing member rates to the total rate and the impact that has on the final premium.

**RECOMMENDATION:** Approve funding as presented at the 80% CL for FY 19/20.

**FISCAL IMPACT:** Total funding of \$12,583,151 for the Workers' Compensation Program.

**BACKGROUND:** Members have steadily increased the Confidence Level of annual funding over the years, from 65% to 70%, 75%, and as of FY 18/19 to the current 80% CL. Over the same period the Discount Factor has decreased from 3% to 1.5%. Both of these changes have contributed to an increase in total funding, in addition to increases in payroll. NCCSIF's Funding Policy sets a goal of annual funding at an 80% CL.

# 5 REASONS YOU SHOULD SEND Your Pool's AMAZING, HARD-WORKING. **DEDICATED STAFF** (AND BOARD MEMBERS) TO THE CAJPA **CONFERENCE!**

SEPTEMBER 12 - 15 SOUTH LAKE TAHOE, CA

### PROFESSIONAL DEVELOPMENT OPPORTUNITIES

The conference offers something for everyone who supports your pool's operations. Administrative, finance, technology, risk management professionals will all walk away better educated and inspired. Board members will learn more about the current challenges and opportunities facing the agencies they govern. Oh, and there are CEs offered too!

### PROBLEM SOLVING BY NETWORKING

CAJPA's fall conference is the largest gathering of only public risk sharing pools on the West Coast. Attendees are able to share experiences, solutions, opinions and challenges among themselves which may provide them with the guidance they need to tackle that problem or expand member benefits.

### **REAL-WORLD EXAMPLES**

Our sessions are selected by a hard working committee comprised of experts in every pool profession. Specific learning outcomes are identified to ensure attendees take away knowledge that they will be able to immediately apply to their job.

# **EXHIBITORS - FROM CUTTING EDGE** TECHNOLOGY TO ESSENTIAL SERVICES

All under one roof. No need for your staff to surf the internet for hours looking for a new software program, financial consultant, safety program or legal counsel. Meeting face-to-face with vendors can't be beat as it allows attendees to ask specific questions about products and services that your pool needs to better serve your member agencies.

### **GREAT LOCATION AND GREAT VALUE**

Due to the generous support of our sponsors and exhibitors, CAJPA is able to keep conference fees low - only \$300 for CAJPA members. What a bang for your public bucks! Can't beat the location -California's beautiful Lake Tahoe region offers an opportunity for attendees to take a deep breath of fresh air between educational sessions. Your hard working employees deserve that!

| Employer Pull<br>Notice Program | CSAC-EIA & TARGET SOLUTIONS (Additional cost to members)  CSAC-EIA and Target Solutions have partnered with A-Check America to automate your Employer Pull Notice (EPN) program. Using this program, you can electronically monitor your employees' driving records and receive notification within hours of a reportable incident.   |
|                                 | You can access your driver roster and key data from a dashboard within Target Solutions. This data is accessible only to you and A-Check America and features a summary of the number of drivers added and removed from the system, an overview of the violations and accidents that have occurred, and a breakdown of your employees' license renewal status.
